

# DONALD DUCK

## The Bungy Jumpers!

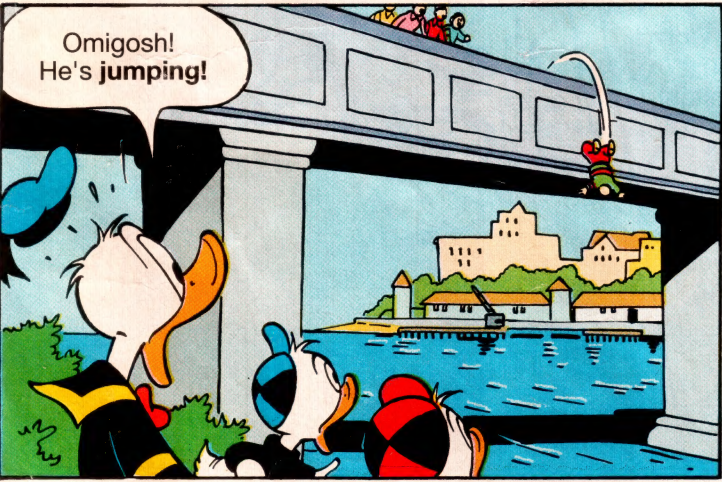

It's a lovely day in Duckburg!  
The sun is shining...the birds are singing...wouldn't you expect everyone to feel on top of the world..?

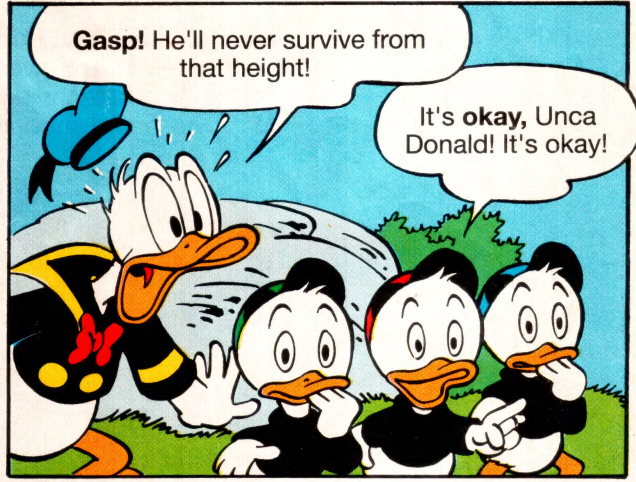

Boy, oh boy! I'm penniless and stoney broke! I'm up to my ears in debt to **Uncle Scrooge!** If I live for a thousand years I couldn't pay him off!

You think **you've** got troubles, Unca Donald?!

Look at **that** guy on the bridge!

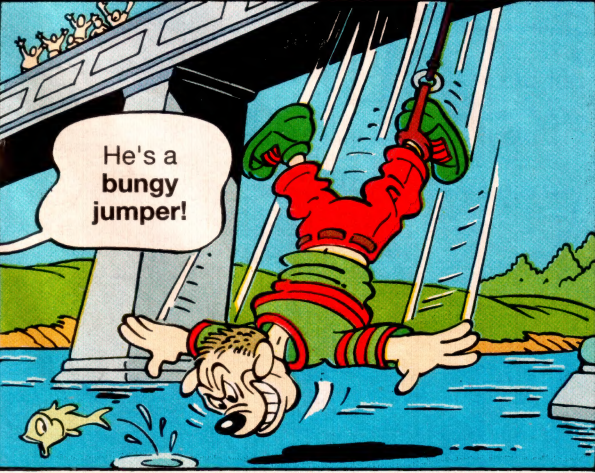

Omigosh! He's jumping!

Gasp! He'll never survive from that height!

It's **okay**, Unca Donald! It's okay!

He's a bungy jumper!

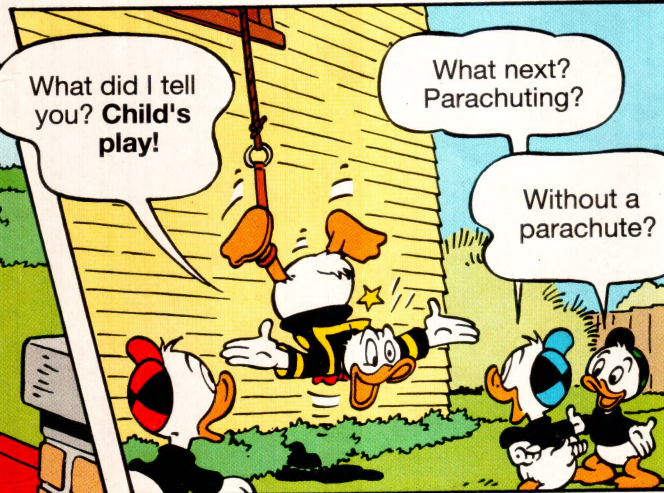

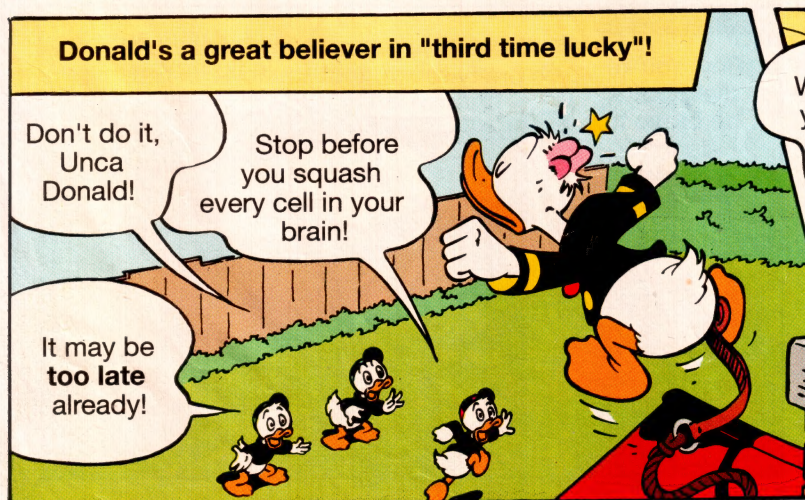

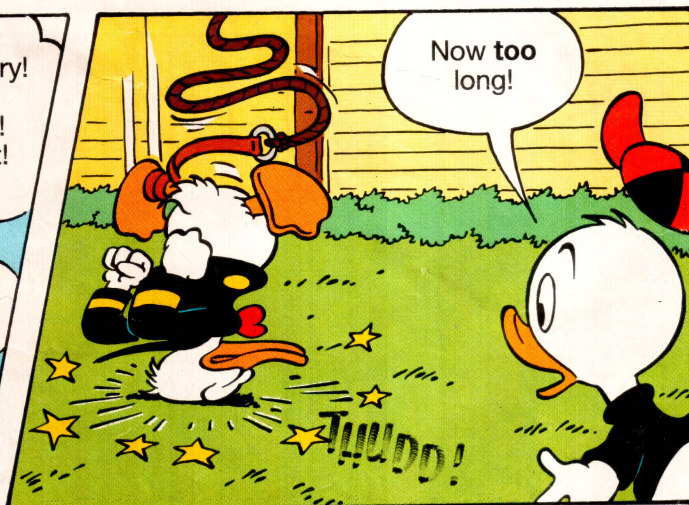

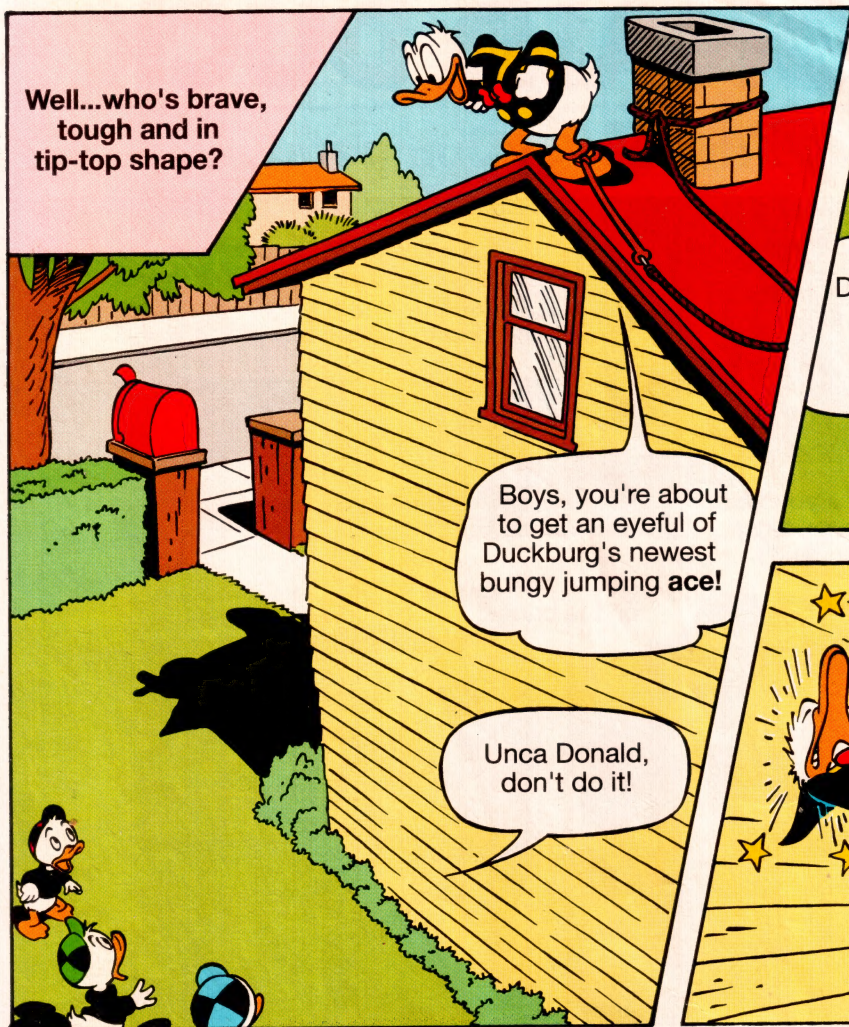

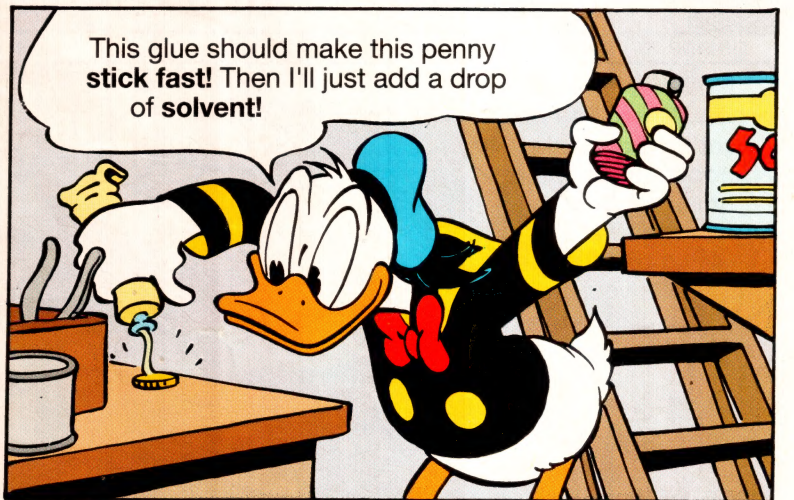

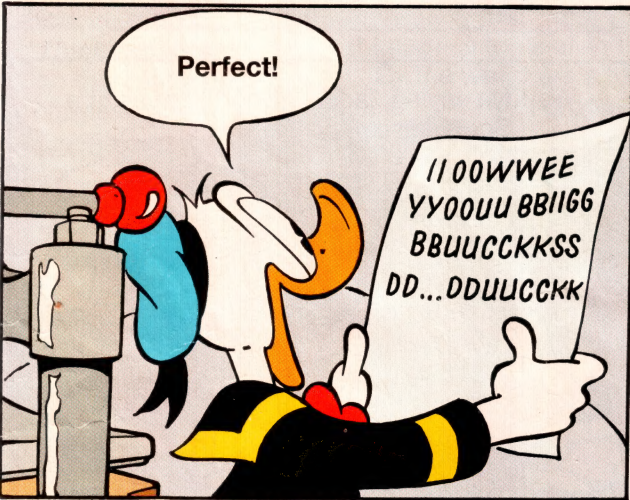

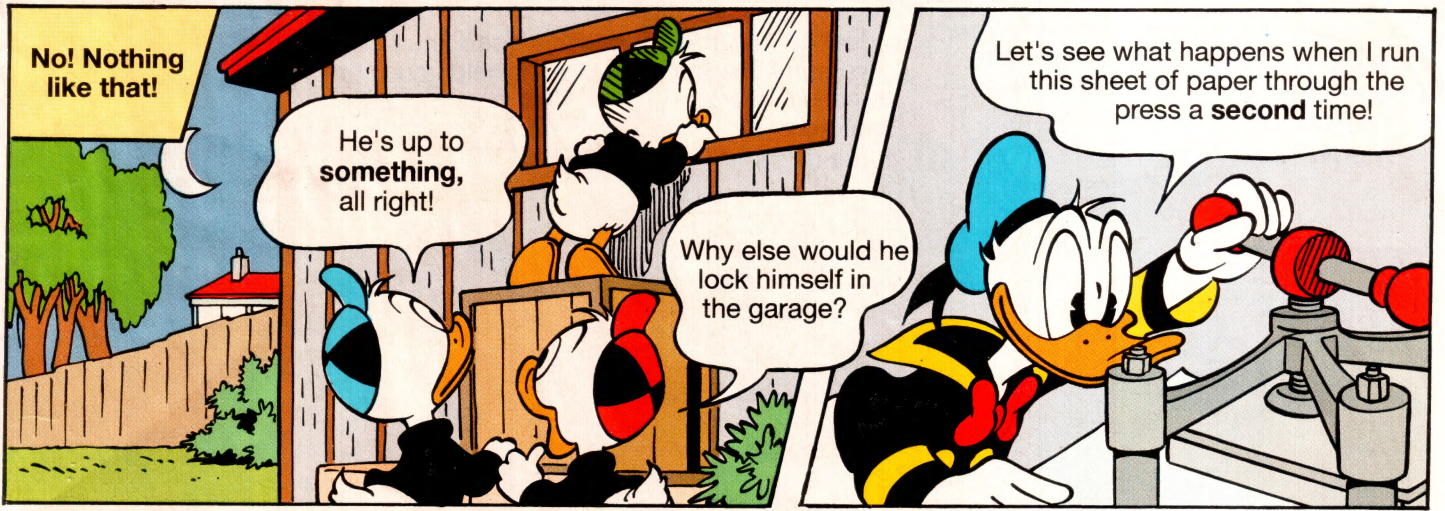

Boy! You've really gotta be **brave** to do that!

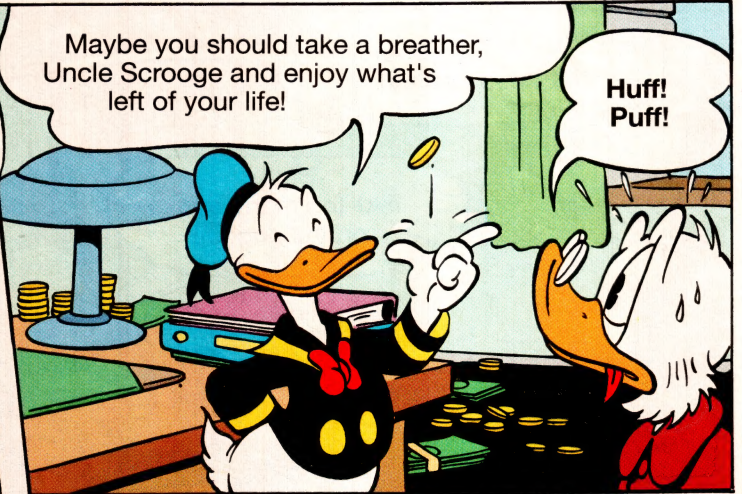

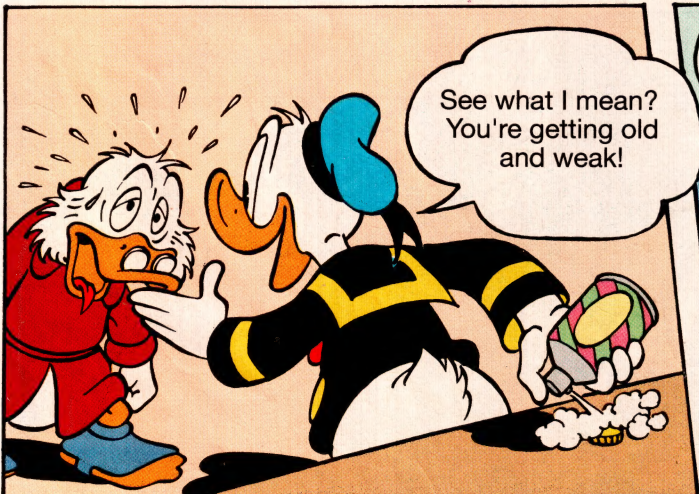

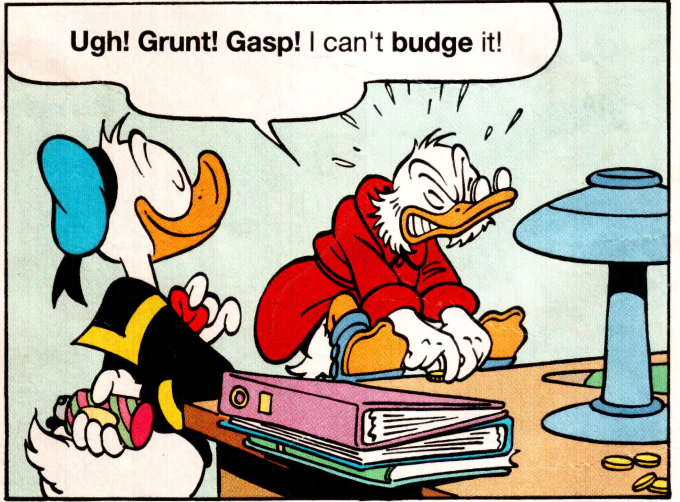

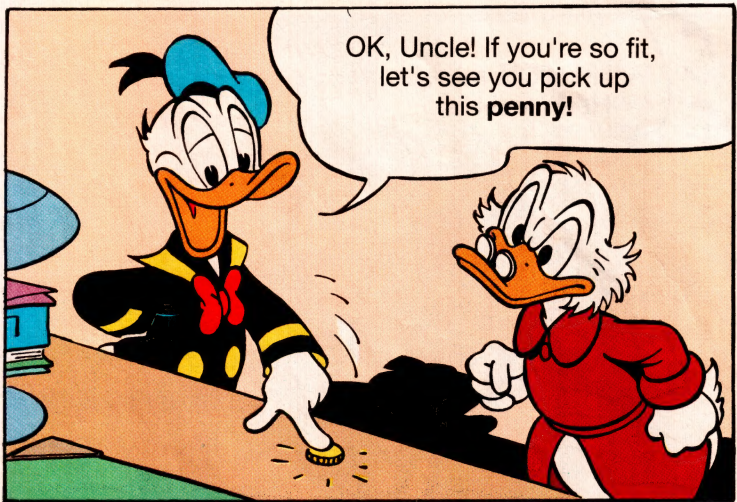

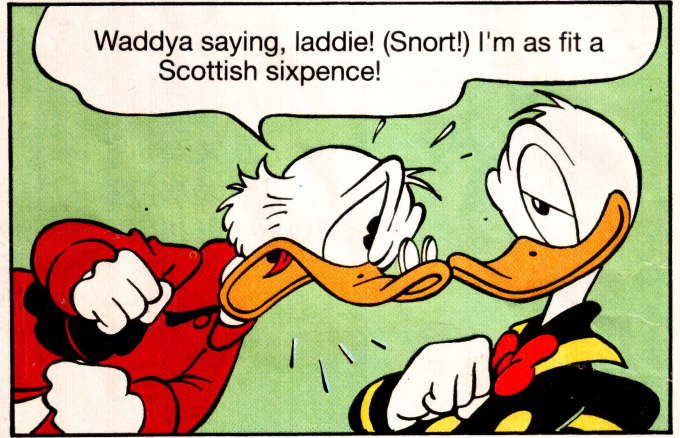

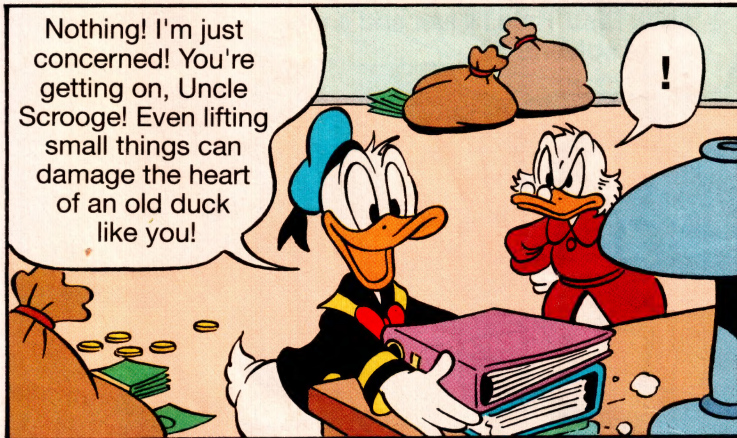

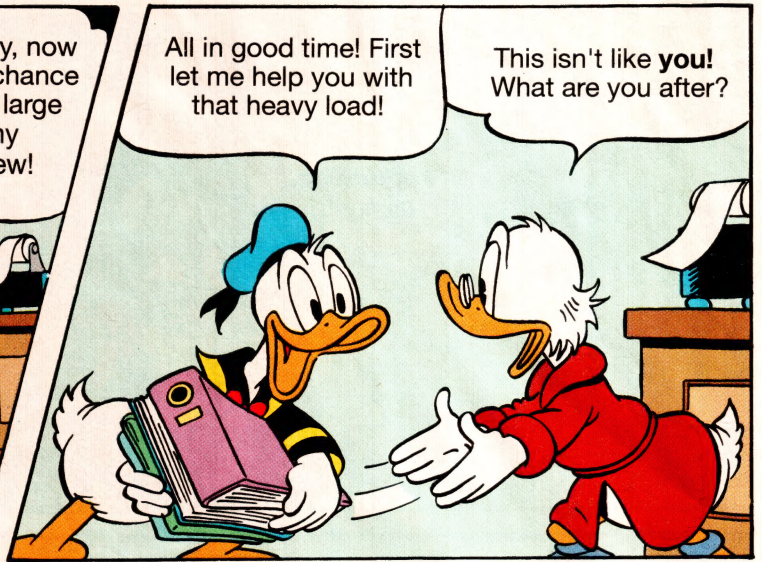

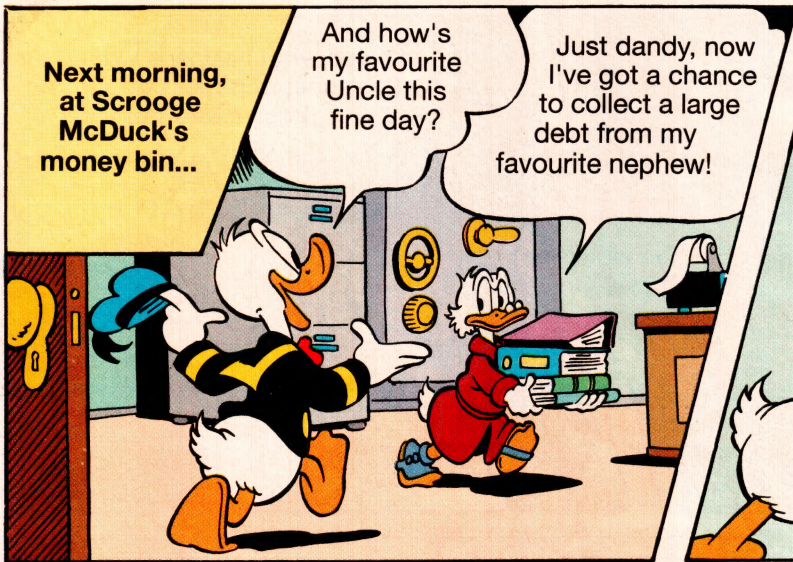

And you've gotta be **pretty tough**, too!

And you've gotta be in **tip top shape!**

Hmm...

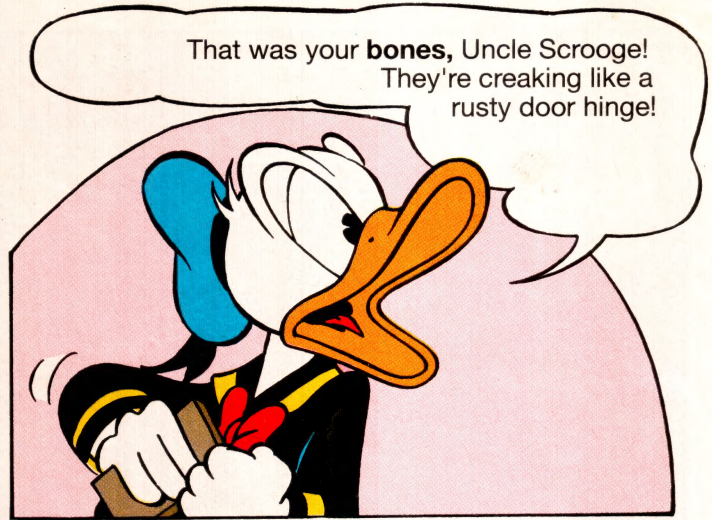

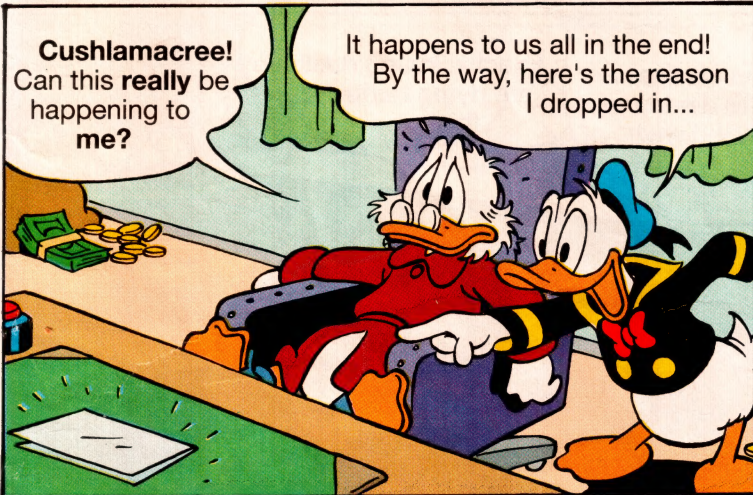

My goodness!  
What was **that**?

That was your **bones**, Uncle Scrooge!  
They're creaking like a  
rusty door hinge!

**Cushlamacree!**  
Can this **really**  
be happening to  
me?

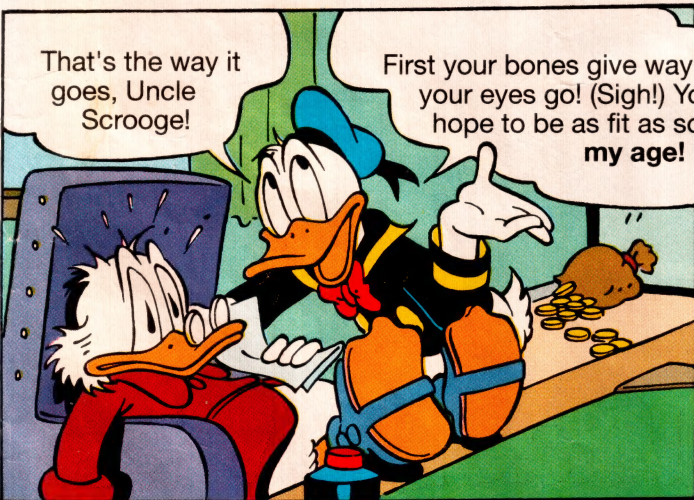

It happens to us all in the end!  
By the way, here's the reason  
I dropped in...

...a printed I.O.U. setting  
out my debt to you!

**Wak!** I'm seeing  
**double!**

!! OOWWEE  
YYOOUU BBIIGG  
BBUUCCKKSS...  
DD...DDUUCCK

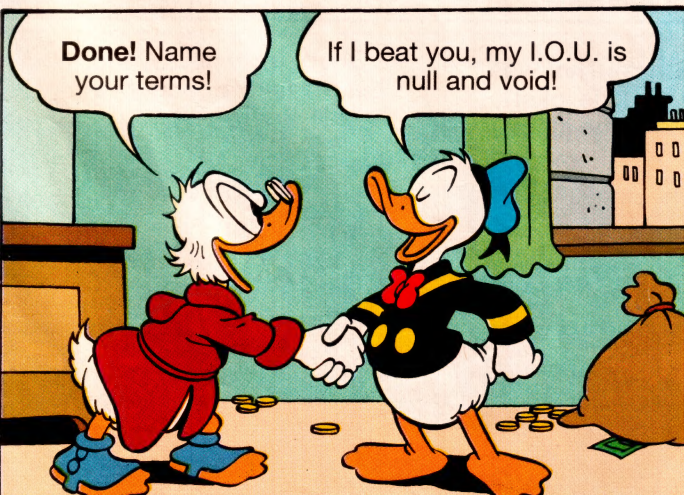

That's the way it  
goes, Uncle  
Scrooge!

First your bones give way! Then  
your eyes go! (Sigh!) You can't  
hope to be as fit as someone  
**my age!**

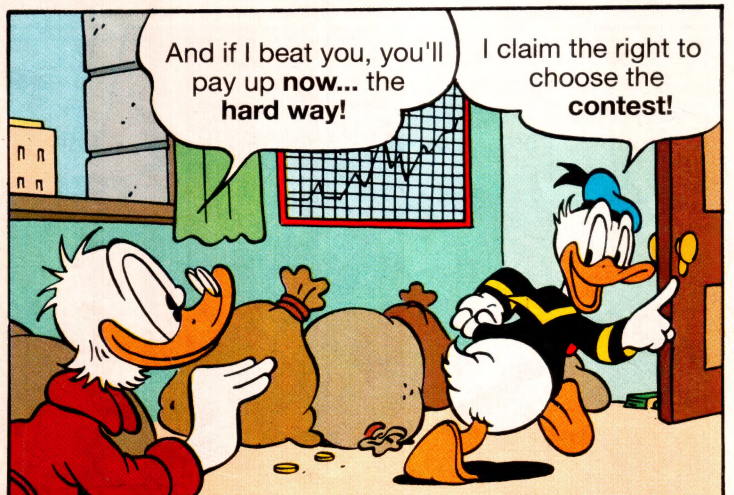

**Humbug!** I can do anything **you** can do-  
and do it **twice** as well!

**Oh, yeah?** I'll bet  
**you can't!**

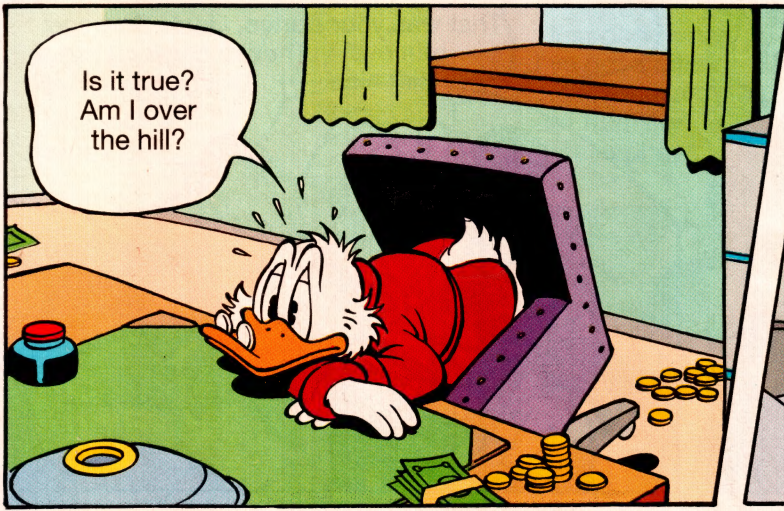

**Done!** Name  
your terms!

If I beat you, my I.O.U. is  
null and void!

And if I beat you, you'll  
pay up **now...** the  
**hard way!**

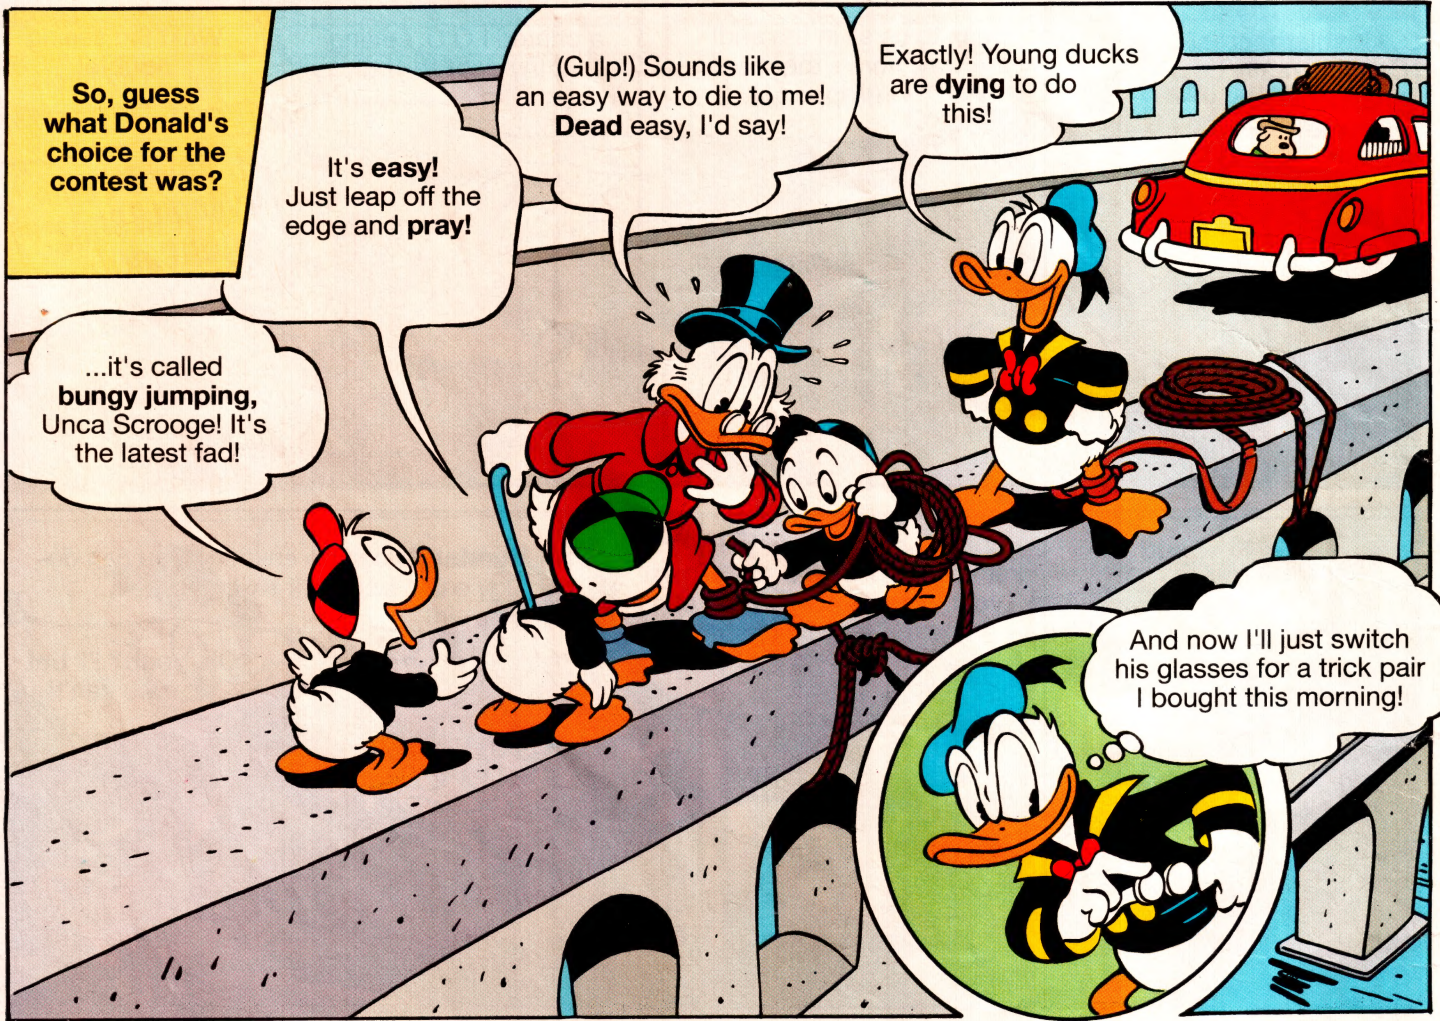

I claim the right to  
choose the  
**contest!**

Is it true?  
Am I over  
the hill?

I've got him now! In a  
few hours' time  
I'll be right out  
of debt! I'll be  
free of him!

So, guess  
what Donald's  
choice for the  
contest was?

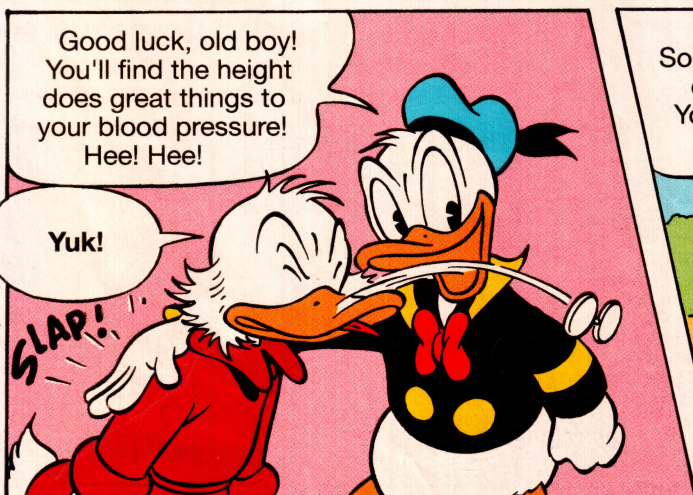

It's easy!  
Just leap off the  
edge and pray!

(Gulp!) Sounds like  
an easy way to die to me!  
Dead easy, I'd say!

Exactly! Young ducks  
are **dying** to do  
this!

...it's called  
**bungy jumping**,  
Unca Scrooge! It's  
the latest fad!

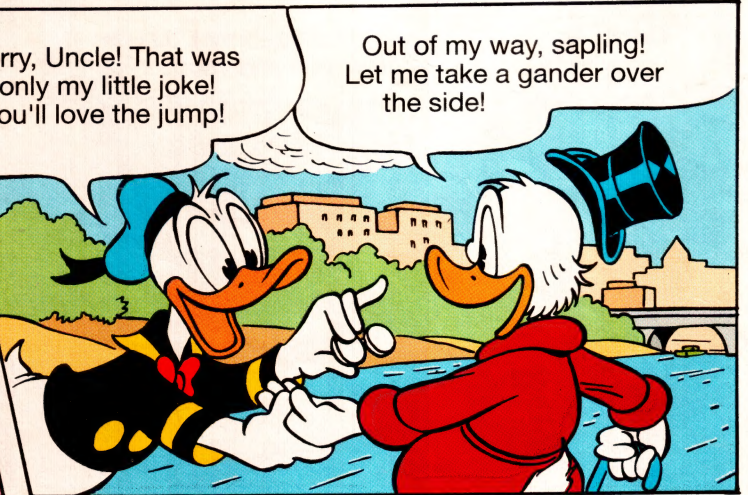

And now I'll just switch  
his glasses for a trick pair  
I bought this morning!

Good luck, old boy!  
You'll find the height  
does great things to  
your blood pressure!  
Hee! Hee!

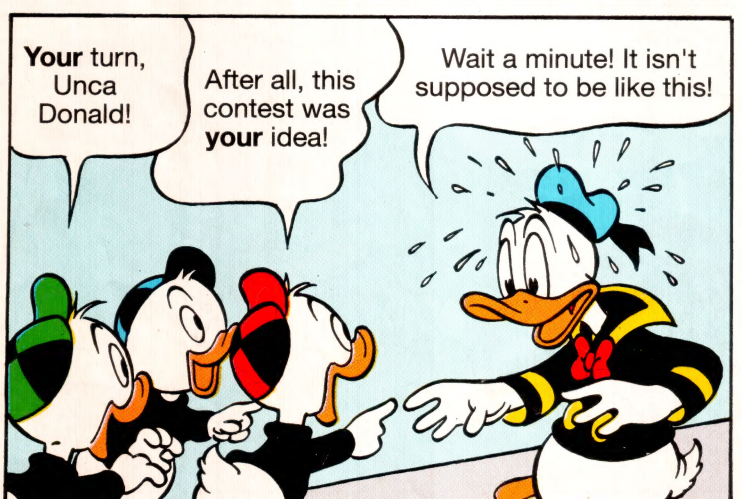

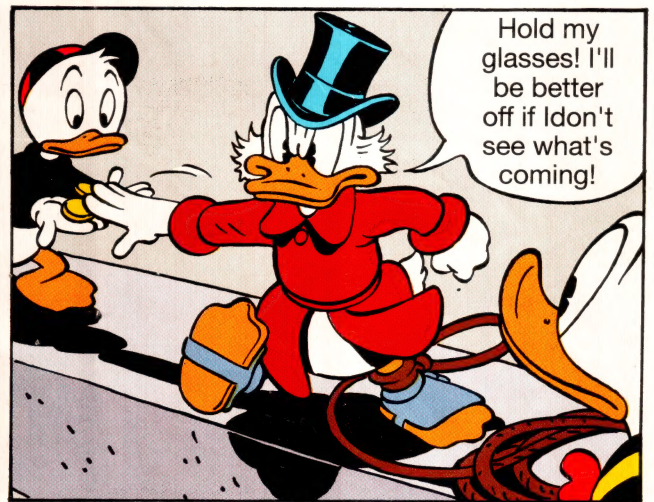

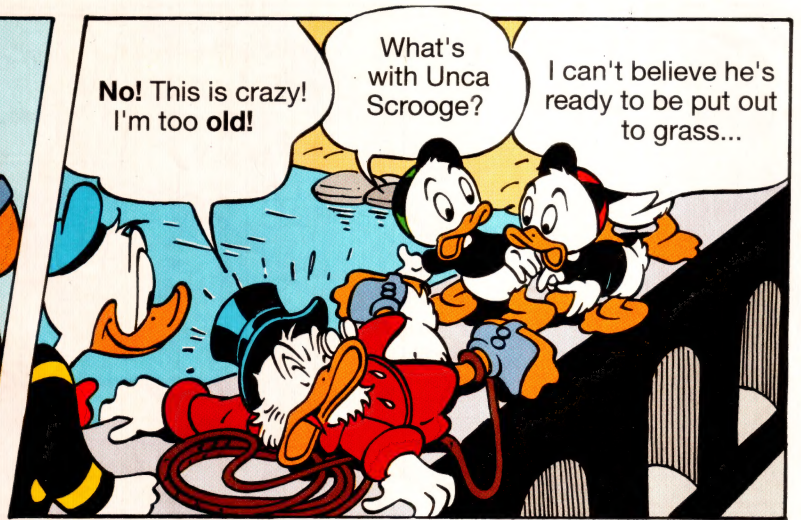

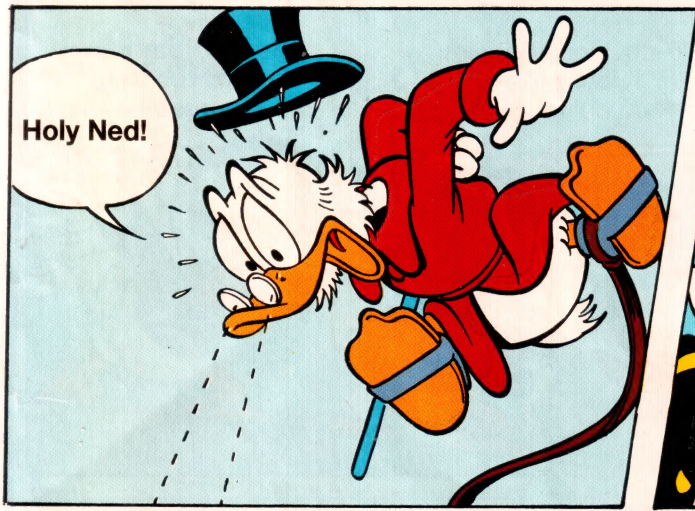

Yuk!

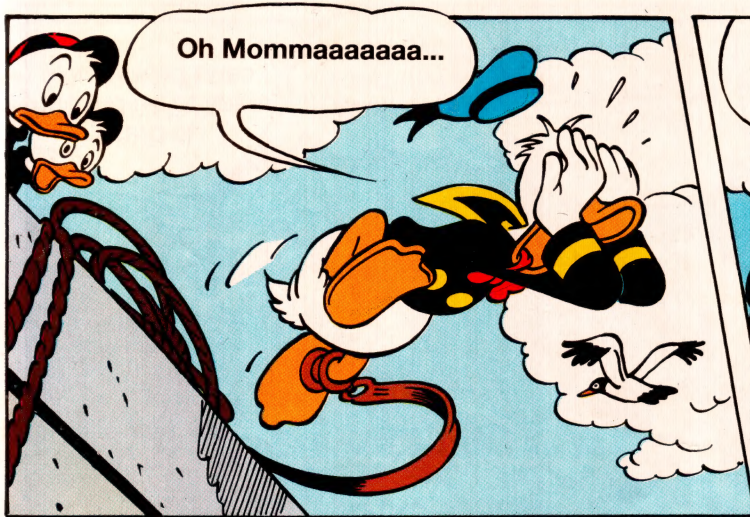

SLAP!

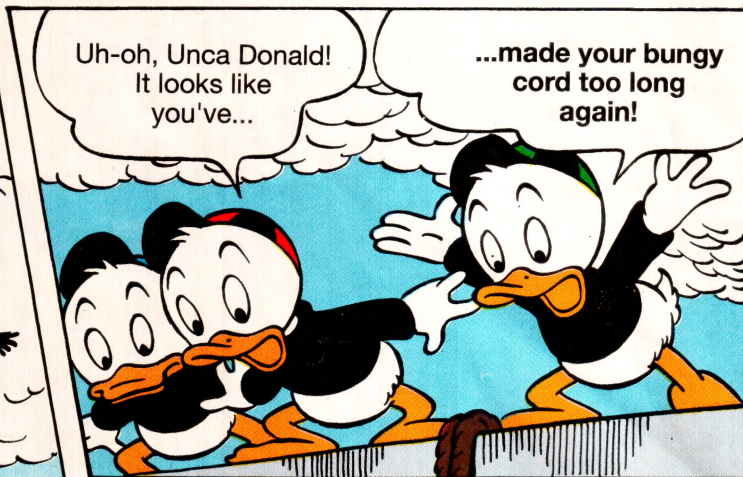

Sorry, Uncle! That was  
only my little joke!  
You'll love the jump!

Out of my way, sapling!  
Let me take a gander  
over the side!

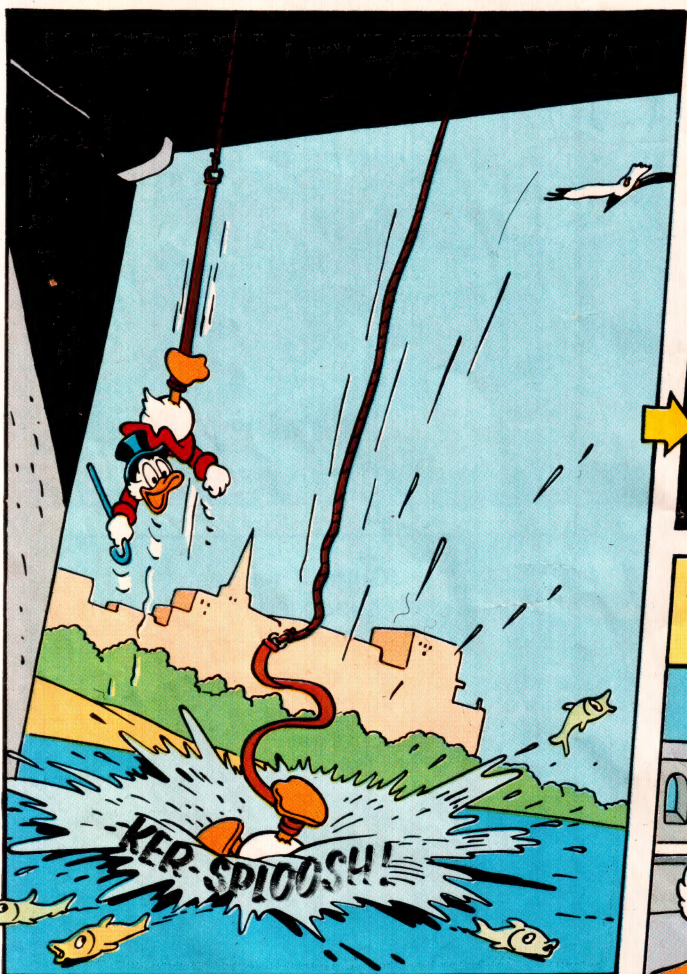

Oh Mommaaaaaa...

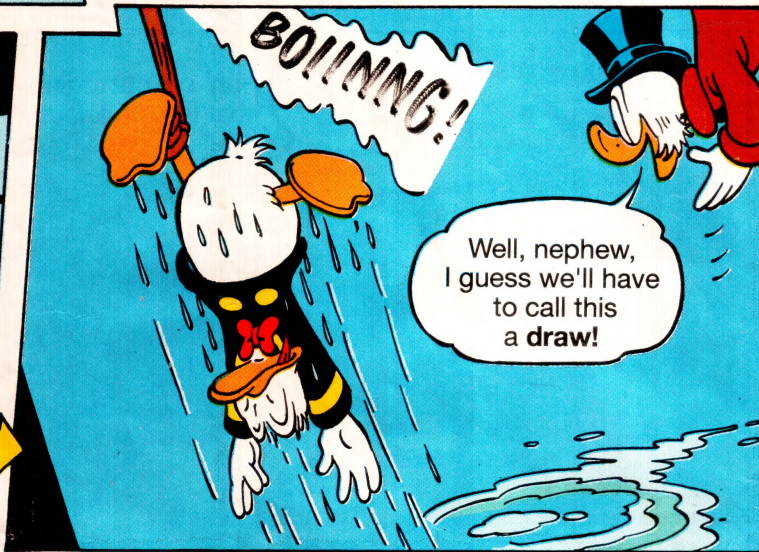

Uh-oh, Unca Donald!  
It looks like you've...

...made your bungee  
cord too long  
again!

KER-SPLASH!

BOILING!

Well, nephew,  
I guess we'll have  
to call this  
a draw!

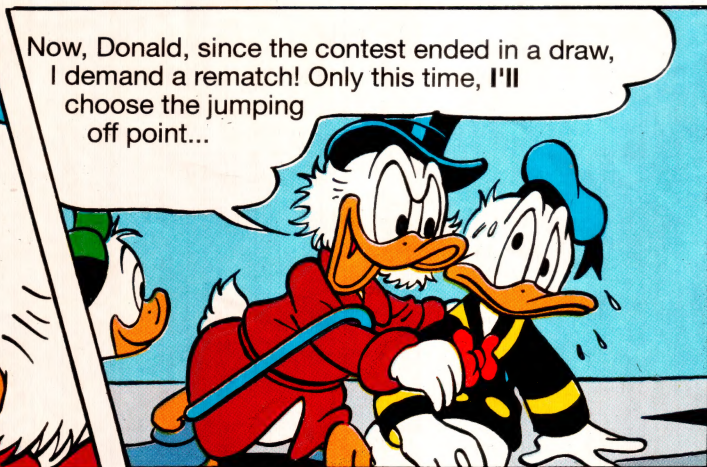

Some minutes  
later...

Here are your glasses,  
Uncle Scrooge! You  
did well without  
them!

(Sputter!)

These aren't mine! They make  
everything look like it's a mile away!  
Someone's been playing dirty  
tricks, and I don't have to  
guess who!

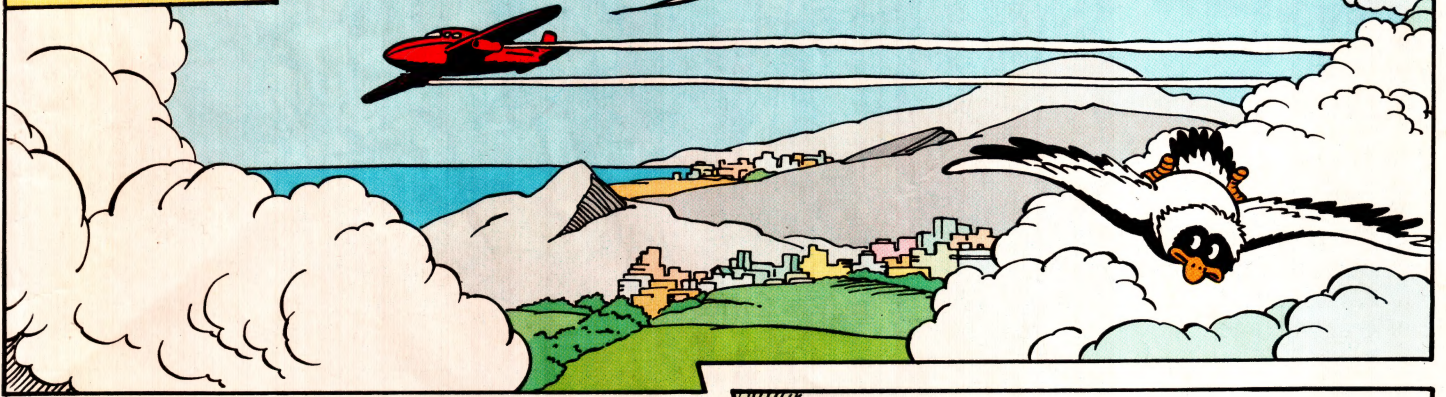

Now, Donald, since the contest ended in a draw,  
I demand a rematch! Only this time, I'll  
choose the jumping  
off point...

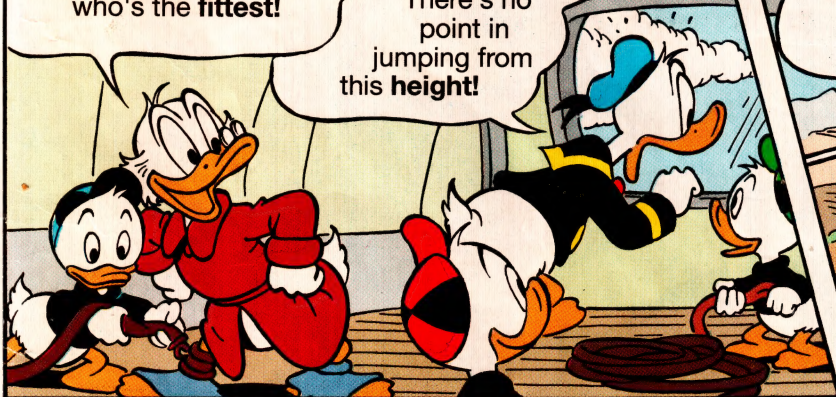

On the chosen day...

What's the big idea, Uncle Scrooge?

Another bungee jump, Donald! To find out who's the **fittest!**

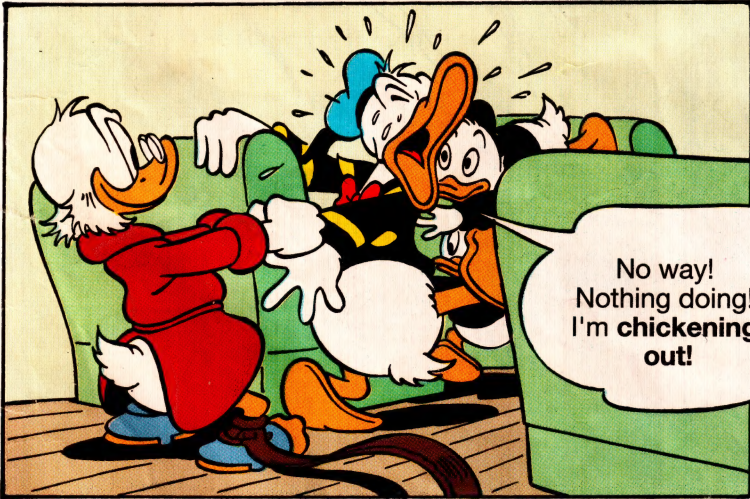

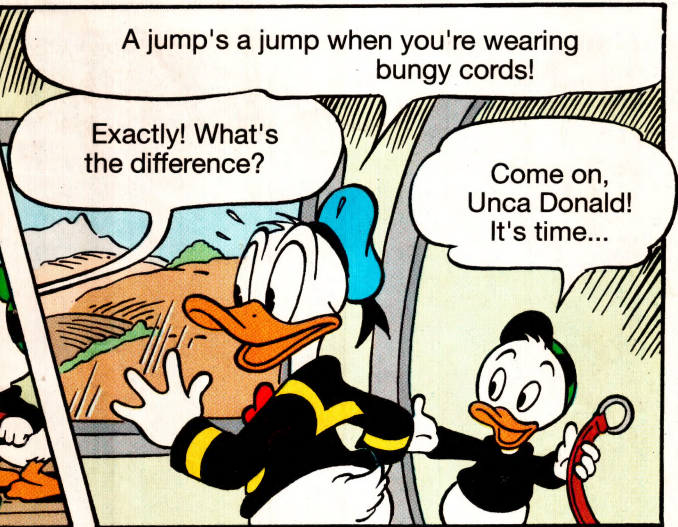

But this is silly! There's no point in jumping from this **height!**

A jump's a jump when you're wearing bungee cords!

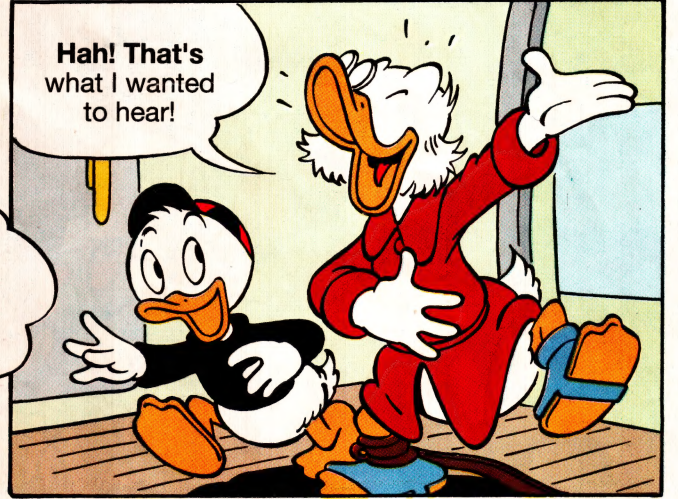

Exactly! What's the difference?

Come on, Unca Donald! It's time...

No way! Nothing doing! I'm **chickening out!**

Hah! That's what I wanted to hear!

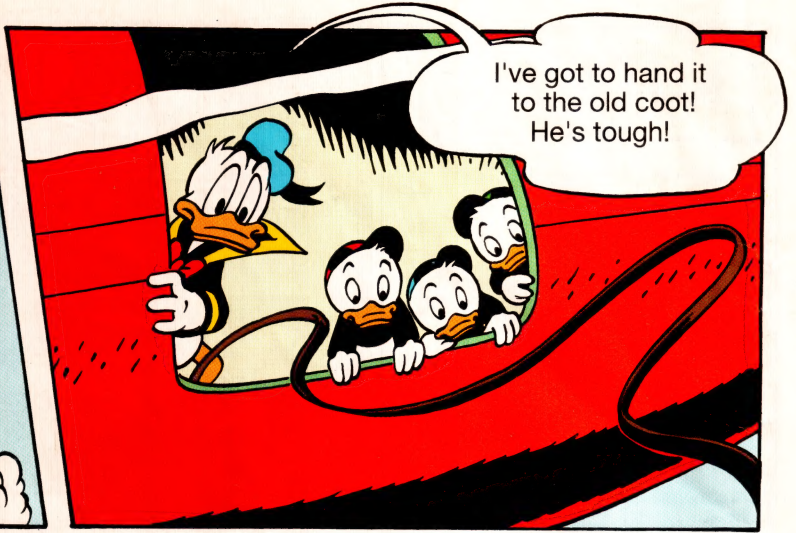

This is what you get, for trying to outfox an **old fox!**

I'll be back in a couple of minutes to **collect** on that bet!

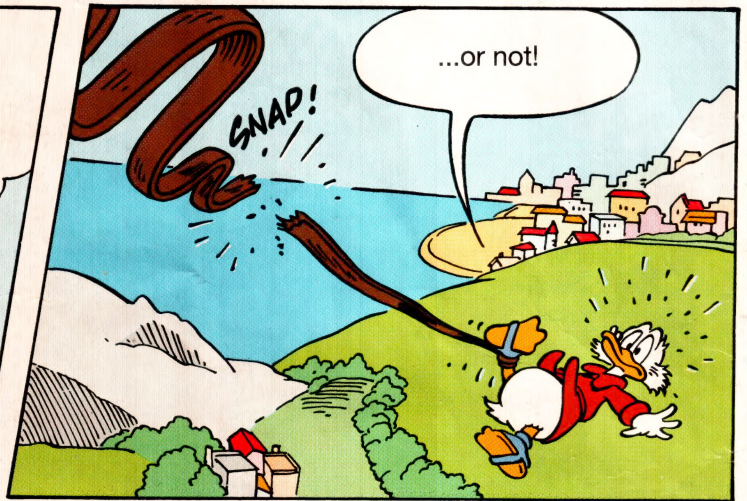

Wow-ee! I get such a kick out of seeing Donald dissolve like a sand castle at high tide!

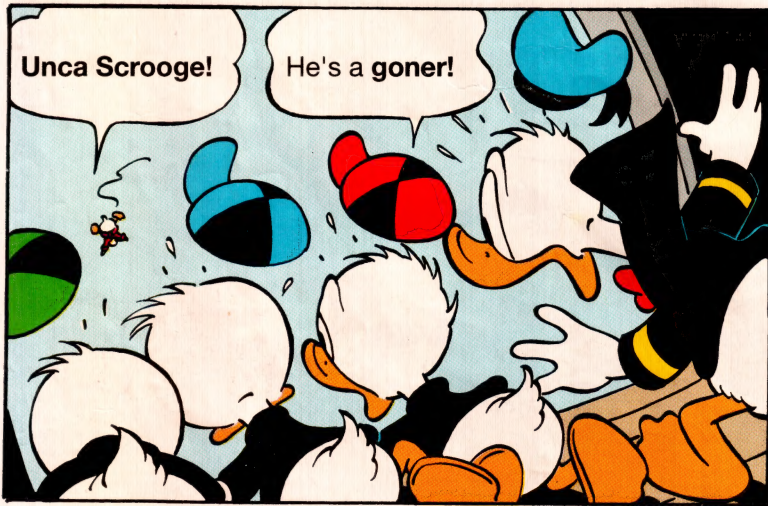

I've got to hand it to the old coot! He's tough!

Ah! My bungy is fully extended! Now I'll begin to be pulled back up...

...or not!

Unca Scrooge!

He's a goner!

Och, well! Things *could* be worse!

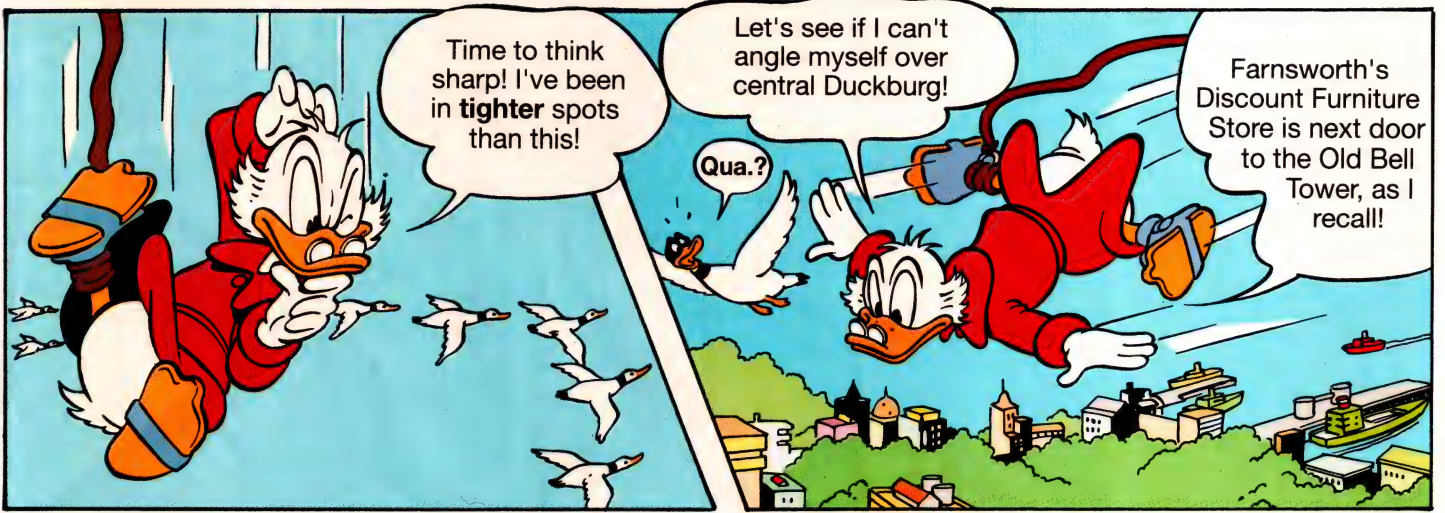

After all, I didn't let my nephew get the better of me!

And I may be checking out, but I've **proved** I'm still full of vim and vigour!

On the other hand... I could be full of vim and vigour for **years** to come!

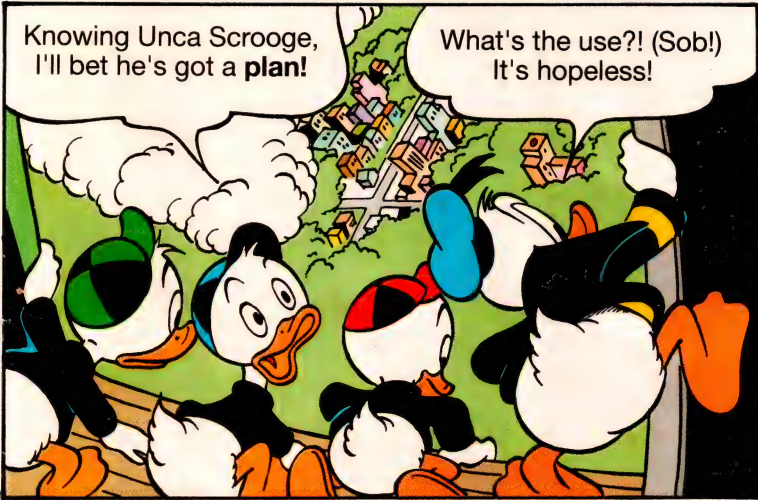

Time to think sharp! I've been in **tighter** spots than this!

Let's see if I can't angle myself over central Duckburg!

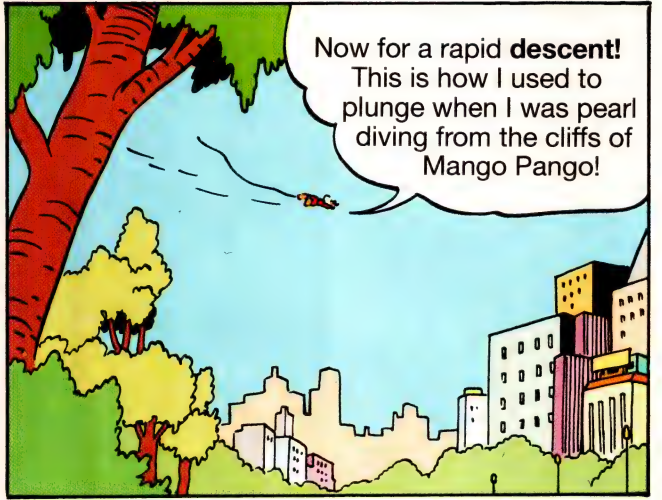

Farnsworth's Discount Furniture Store is next door to the Old Bell Tower, as I recall!

Qua.?

Knowing Unca Scrooge, I'll bet he's got a **plan**!

What's the use?! (Sob!) It's hopeless!

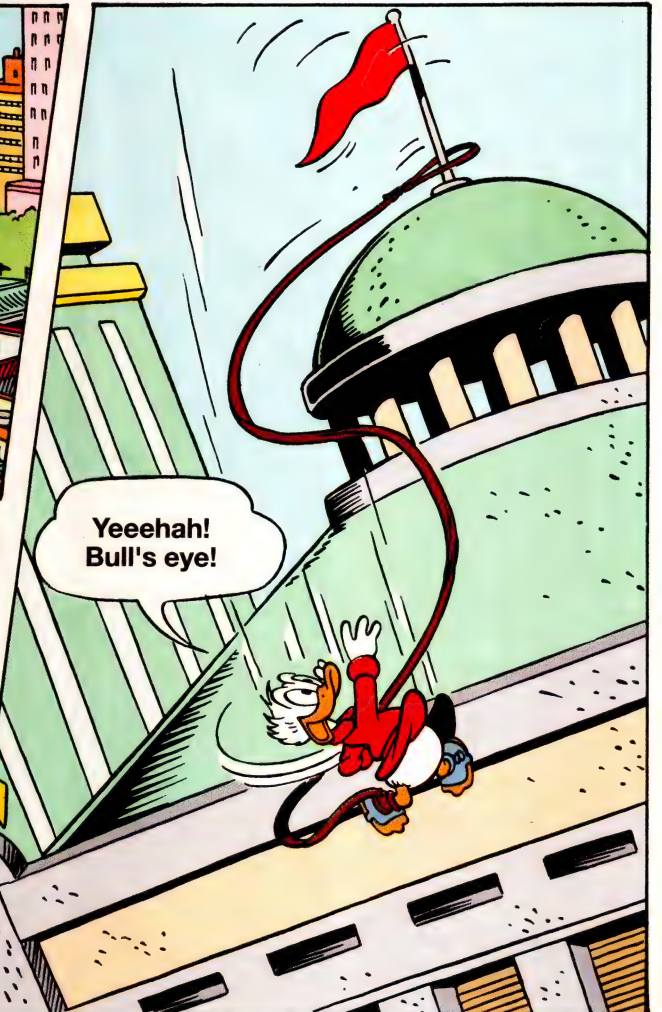

Now for a rapid **descent**! This is how I used to plunge when I was pearl diving from the cliffs of Mango Pango!

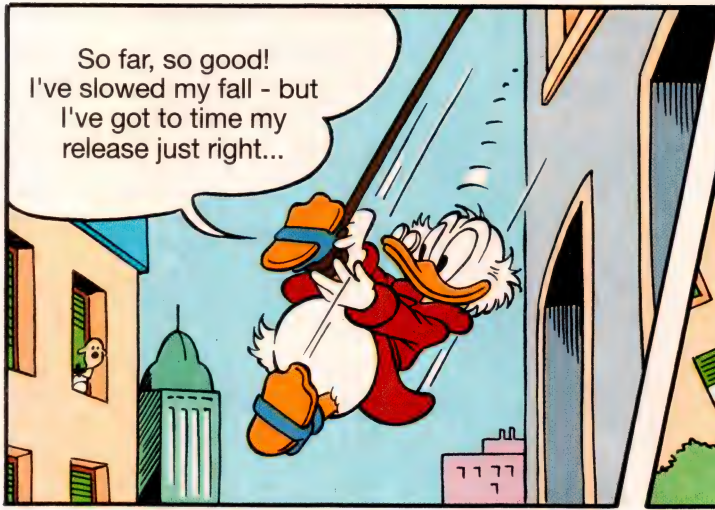

Right on target!

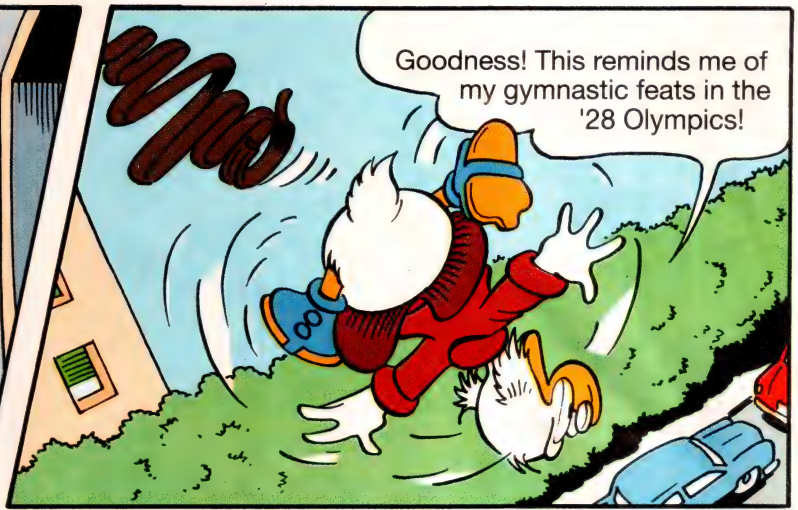

Now let's see how much I still have since my youthful days with the **rodeo**!

Yeehah! **Bull's eye**!

So far, so good!  
I've slowed my fall - but  
I've got to time my  
release just right...

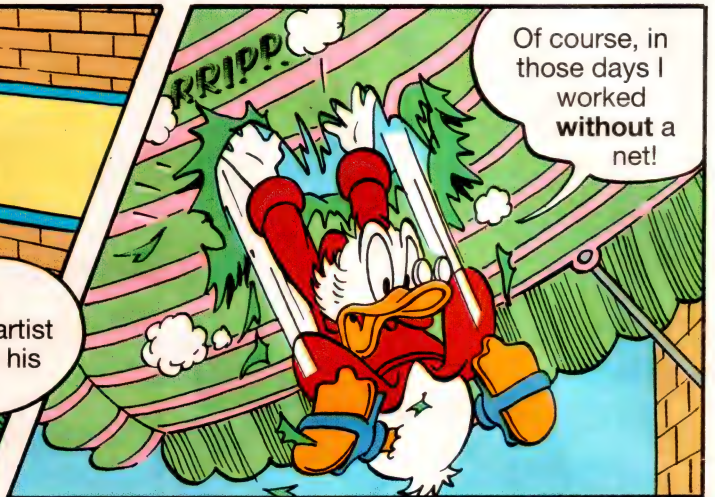

Goodness! This reminds me of  
my gymnastic feats in the  
'28 Olympics!

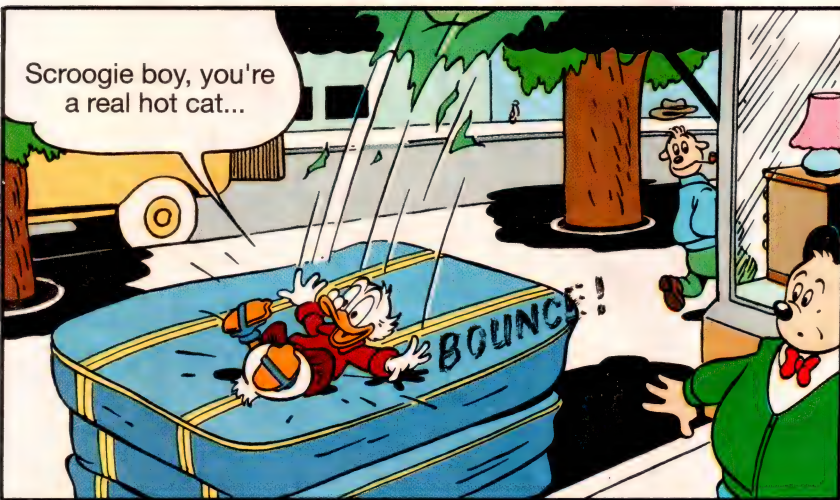

FARNSWORTH'S  
DISCOUNT FURNITURE STORE

As well as my  
act as the only  
teen-aged trapeze artist  
old Barnum had in his  
Big Top!

THUMP!

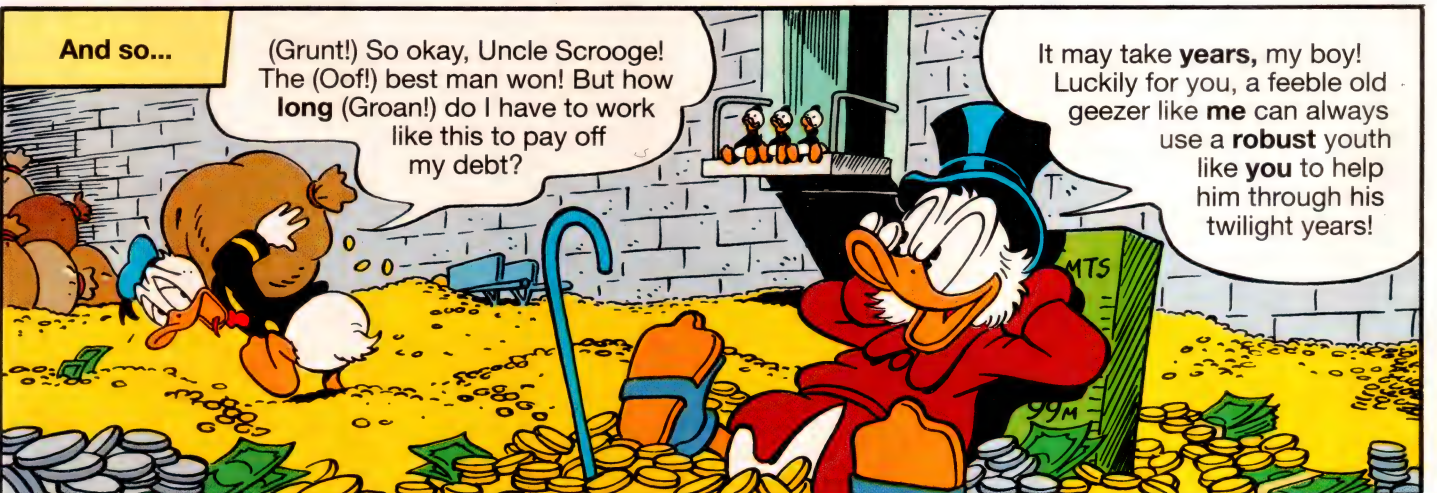

Of course, in  
those days I  
worked  
without a  
net!

Scroogie boy, you're  
a real hot cat...

...always landing on its feet!

And so...

(Grunt!) So okay, Uncle Scrooge!  
The (Oof!) best man won! But how  
long (Groan!) do I have to work  
like this to pay off  
my debt?

It may take **years**, my boy!  
Luckily for you, a feeble old  
geezer like **me** can always  
use a **robust** youth  
like **you** to help  
him through his  
twilight years!

# JUST JOKING

Q: What radio likes to say goodbye?  
A: A long wave radio!  
**Holly Gordon, Eastbourne.**

A French man was walking along a road hitch-hiking. An English man pulled up beside him and asked him if he would like a lift. "Oui, Oui!" replied the French man. "Not in my car, you won't!" shouted the driver as he sped off!  
**Robert Maughan, Harrow.**

These two howlers were sent in by **Sony Kaur** from Colnbrook:  
Q: Who was the fastest runner?  
A: Adam, he was first in the human race!

Little boy: Mummy, I think my teacher loves me!  
Mother: Why's that, dear?  
Little boy: Because she keeps putting kisses in my book!

Patient: Doctor, doctor, I feel just like an apple.  
Doctor: Well come in, I won't bite you!  
**Richard Hemingway, Exmouth.**

Q: How do frogs die?  
A: They Kermit suicidal!  
**Emma Wright, Peterborough.**

Q: What do you call two lines of cabbages.  
A: A dual cabbageway!  
**Jacqueline Park, Co. Down.**

Q: What do you bet if you lie down under a cow?  
A: A pat on the head!  
**Helen Bryan, Sheffield.**

Q: What do giraffes have that no other animals have?  
A: Baby giraffes!  
**Chris Thomas, Pontypridd.**

Customer: Waiter, this coffee tastes like mud.  
Waiter: I'm not surprised - it's fresh ground!  
**Jamie Hawkins, Scunthorpe.**

Shall I tell you the joke about the burter?  
No, you'll only spread it!  
**Neil Mctab, Bletchley.**

Mickey: Did you know that someone has invented something that enables you to look straight through walls?  
Goofy: Really, what is it called?  
Mickey: A window!  
**Daniel Lewis, SW1.**

Q: Which burn longer, candles on a boy's birthday cake or candles on a girl's birthday cake?  
A: Neither, they both burn shorter!  
**Nicola Hall, Birmingham.**

Q: What did one grape say to the other?  
A: Nothing, grapes can't talk!  
**Phillipa Jenkins, Winchester.**

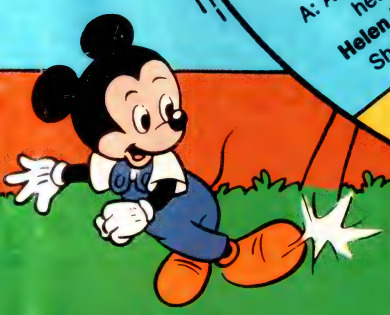

Q: What do you call a man with a turnip in one ear and a carrot in the other?  
A: Anything you like, he can't hear you!  
**Adam Jackson, Blackpool.**

Q: What do you call a girl with a frog on her head?  
A: Lily!  
**Kelly Hazelby, Dyfed.**

A man walks into a shoe shop and tries on a pair of shoes. He says to the assistant, "They're too tight. The assistant says, "Try them with the tongue out."  
The man then sticks his tongue out and says, "They're still too tight!"  
**Kerrie Knox, Glasgow.**

This week's star joke prize is a pair of these fabulous Clarks shoes. They come in small sizes 6 - 12 1/2. If you would like to try to win our star joke prize, send in your favourite jokes to: **Just Joking, P.O. Box 61, London, WC1H 9SG.**

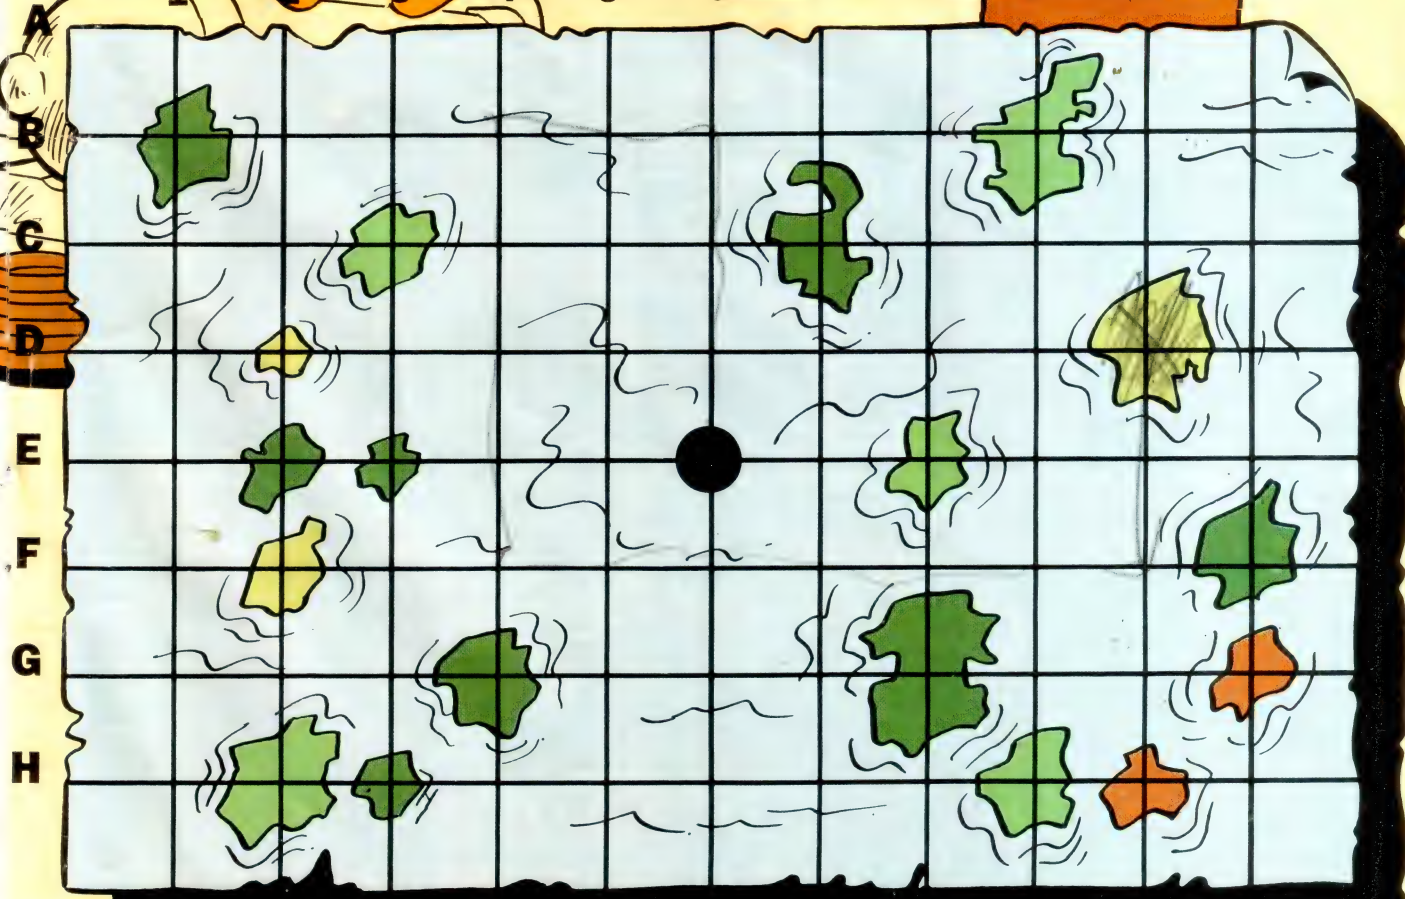

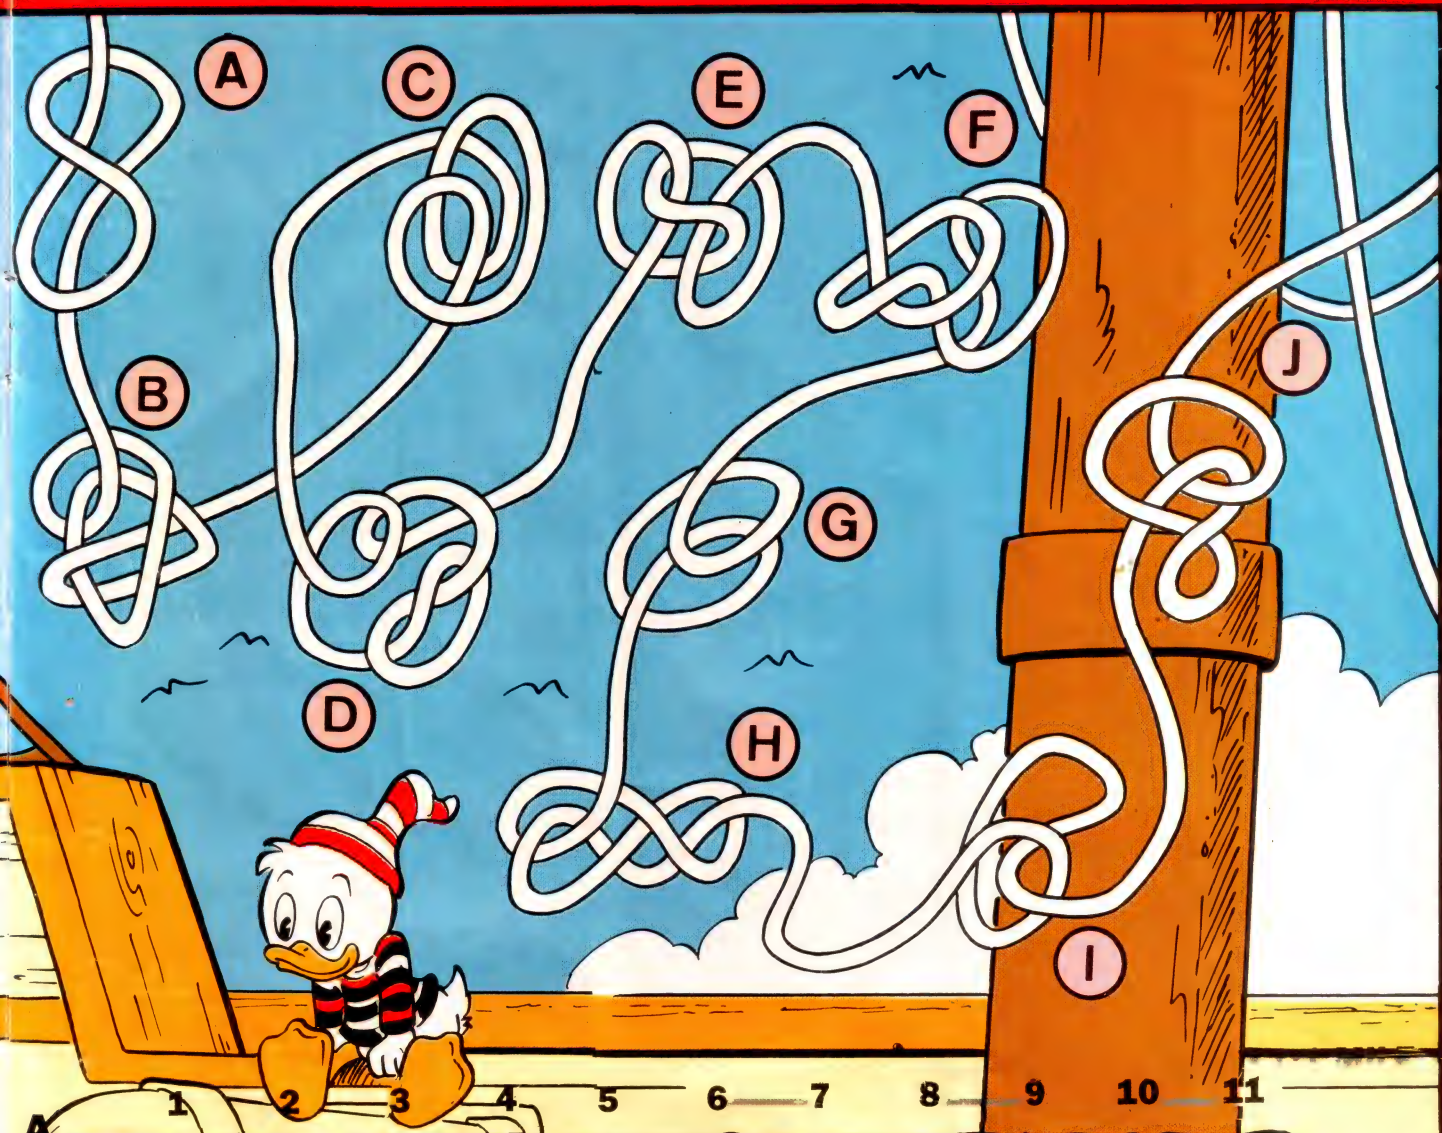

# PIRATES ALL AT SEA!

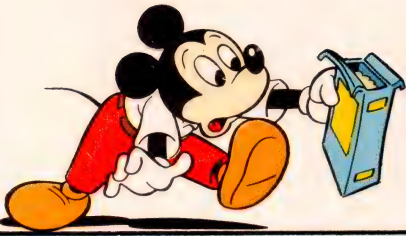

Uncle Scrooge will turn to almost anything to make a fast buck, even piracy! You'd better solve these puzzles or Cap'n Scrooge will make you walk the plank!

- A. How many knots will be made if the rope is pulled on both ends? *6*
- B. Which treasure island is Scooge headed for? Look at the map and follow these directions: Start at the centre point, then go three miles north, two miles west, four miles south, six miles east, and another two miles north.
- C. Which key will open the treasure chest? *number 4*
- D. How many cannonballs can you count on the deck? *14*

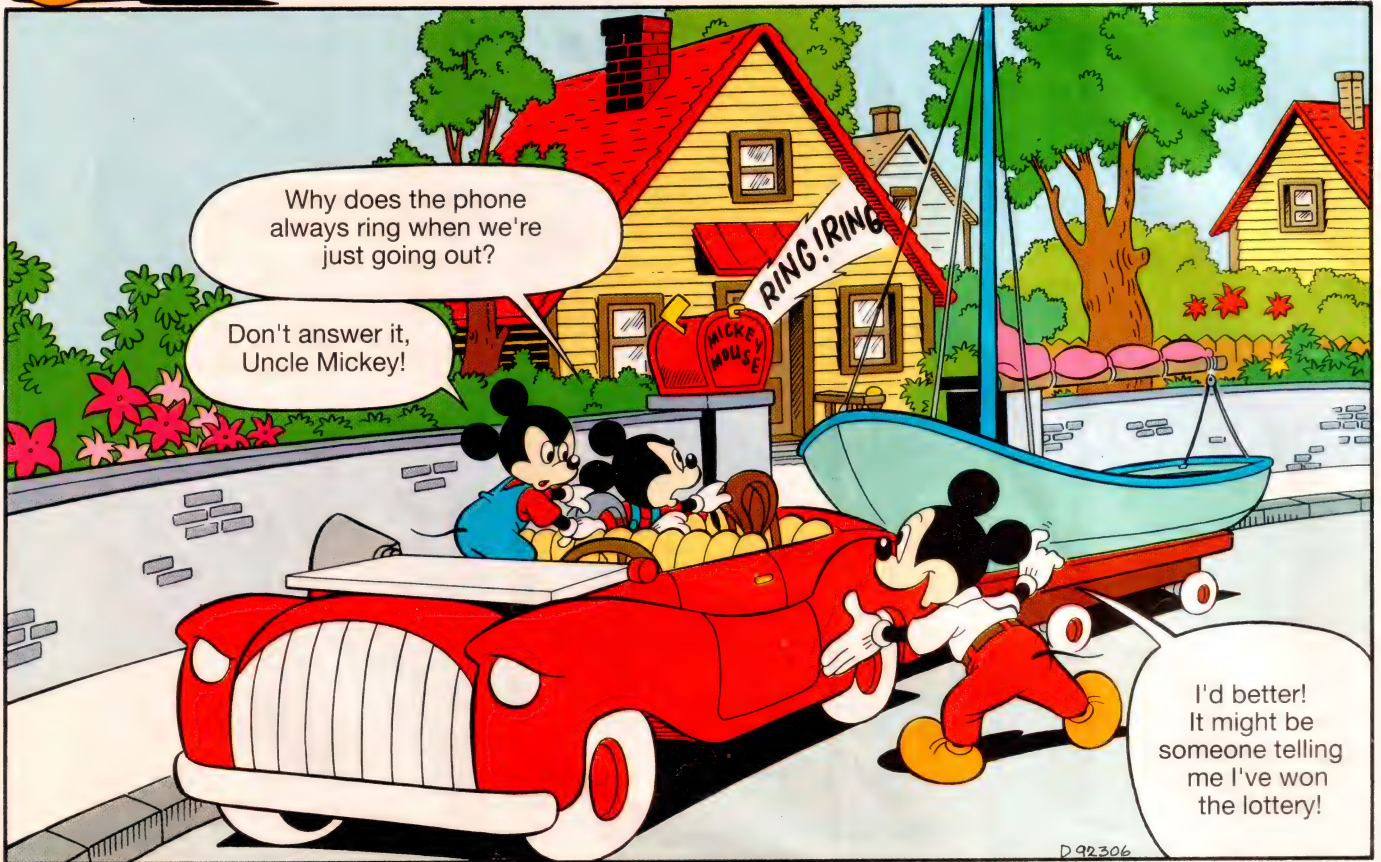

Answers on page 39 of the next issue.

# MICKEY MOUSE

## A Really Tough Desk Job!

Why does the phone always ring when we're just going out?

Don't answer it, Uncle Mickey!

I'd better! It might be someone telling me I've won the lottery!

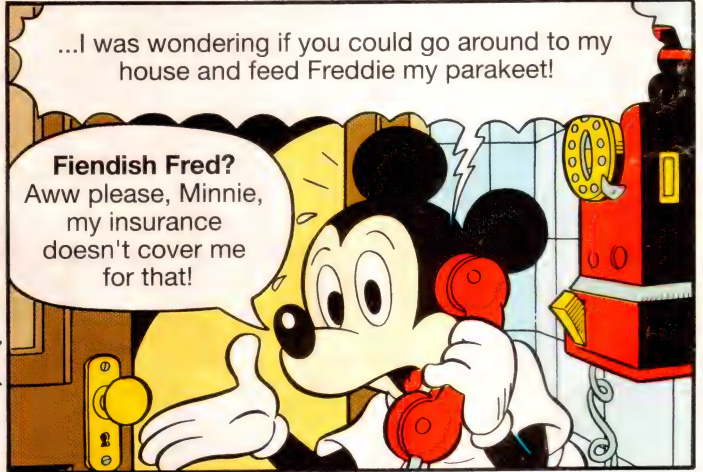

D 92306

Minnie?

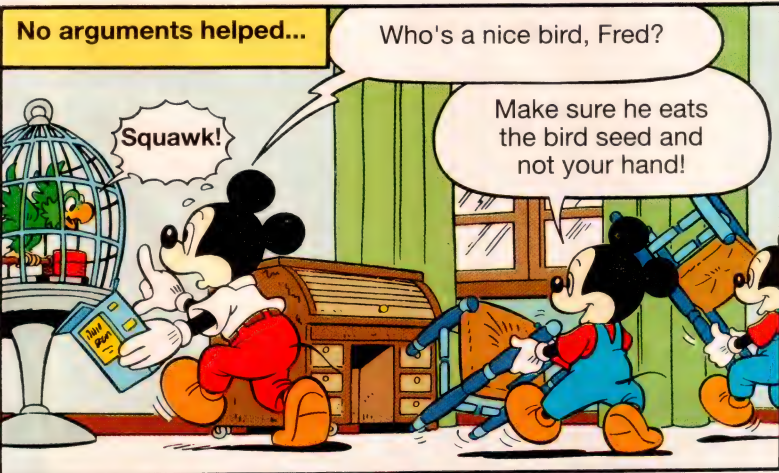

What's up?

I know you're going sailing today but my new job is keeping me in Gooseville until tomorrow and...

...I was wondering if you could go around to my house and feed Freddie my parakeet!

**Fiendish Fred?**  
Aww please, Minnie, my insurance doesn't cover me for that!

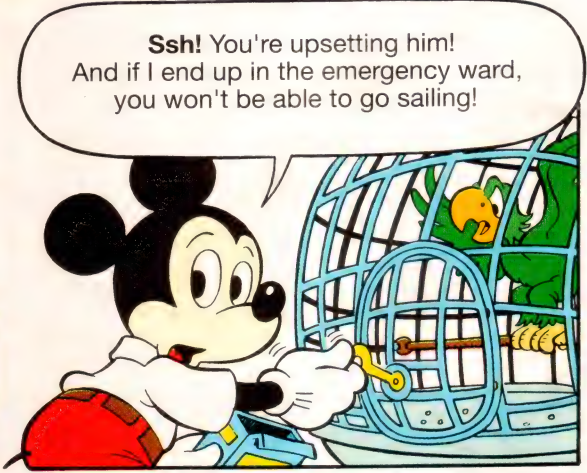

No arguments helped...

Who's a nice bird, Fred?

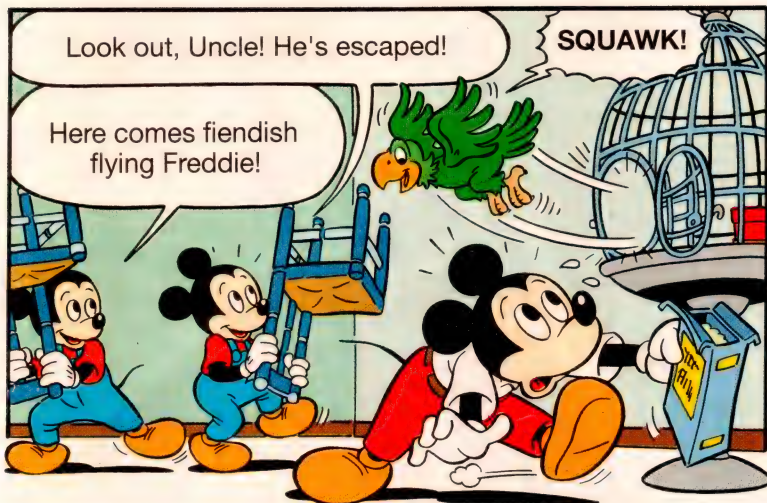

Squawk!

Make sure he eats the bird seed and not your hand!

**Ssh!** You're upsetting him! And if I end up in the emergency ward, you won't be able to go sailing!

Look out, Uncle! He's escaped!

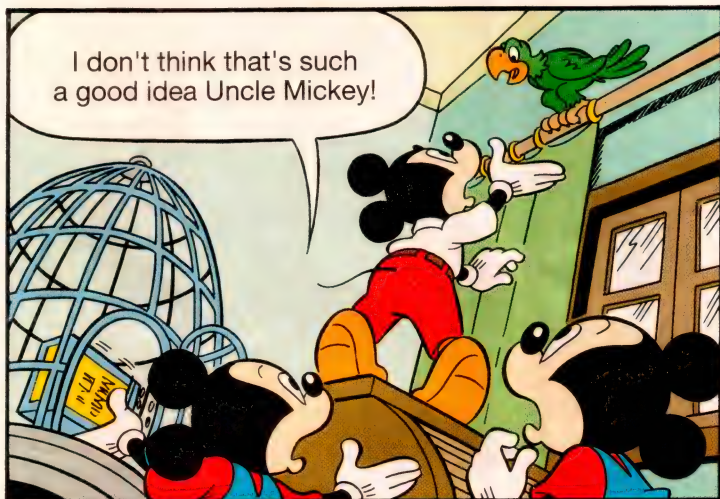

**SQUAWK!**

Here comes fiendish flying Freddie!

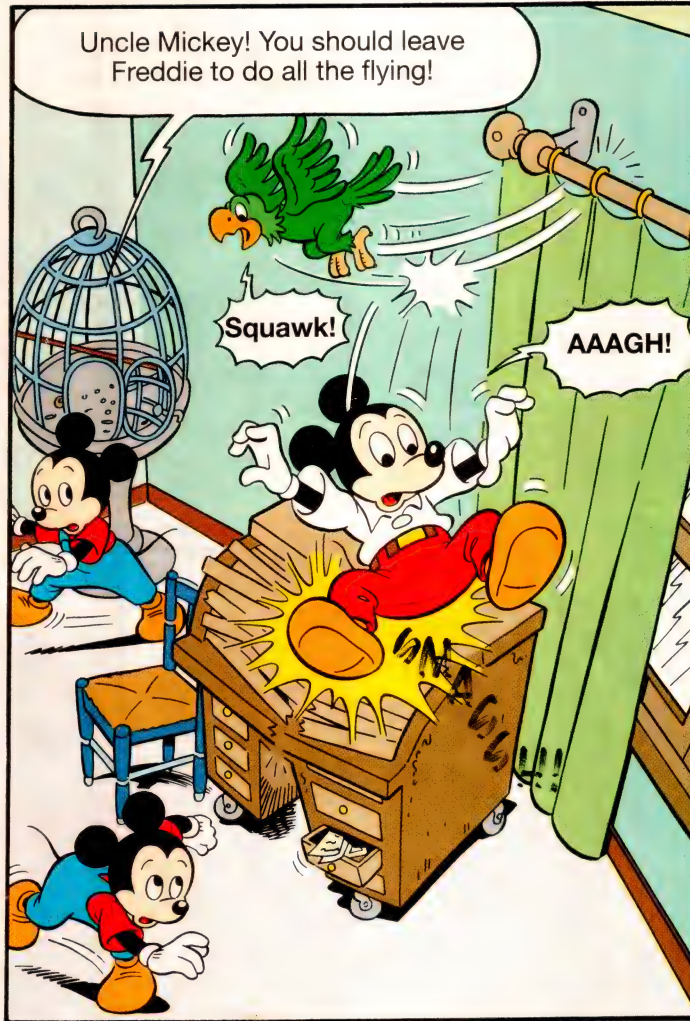

No perishing parakeet is going to get the better of me!

I think he already has!

I don't think that's such a good idea Uncle Mickey!

Uncle Mickey! You should leave Freddie to do all the flying!

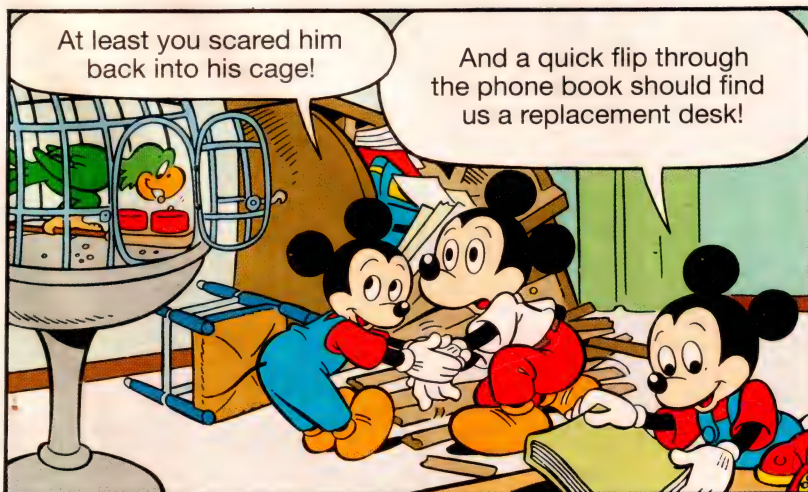

**Squawk!**

**AAAGH!**

Are you all right Uncle Mickey?

**Groan!** I'm all right, but Minnie will feed me to Freddie when she sees this!

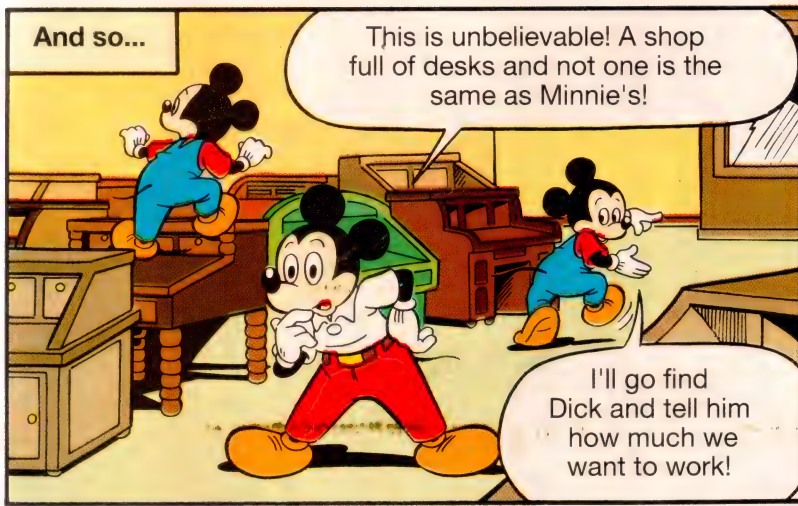

At least you scared him back into his cage!

And a quick flip through the phone book should find us a replacement desk!

Listen to this: "Dick's Desk Shop. Dick's Desks make you want to work!"

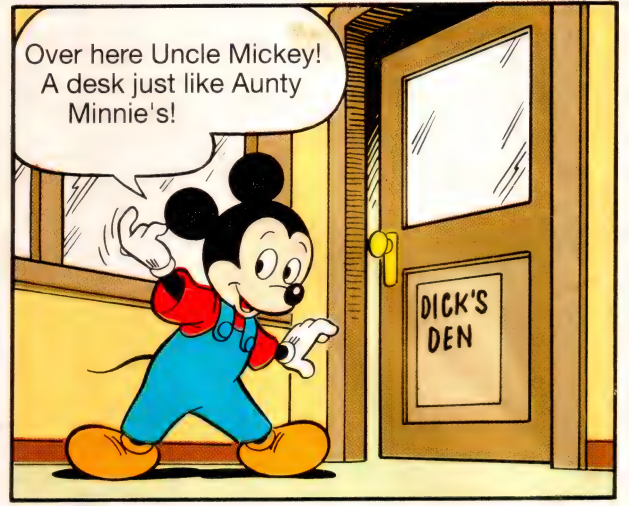

Let's go and get one then!

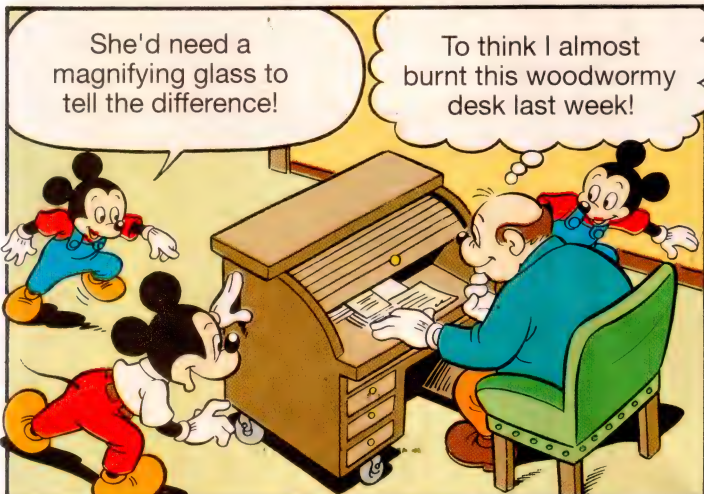

And so...

This is unbelievable! A shop full of desks and not one is the same as Minnie's!

I'll go find Dick and tell him how much we want to work!

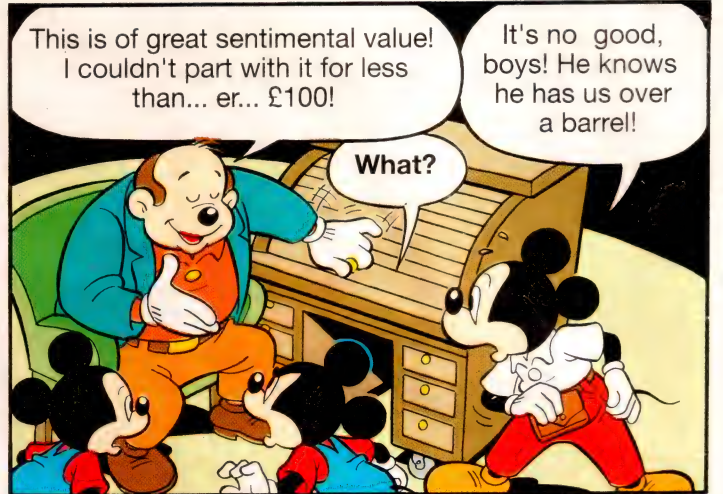

Over here Uncle Mickey! A desk just like Aunty Minnie's!

She'd need a magnifying glass to tell the difference!

To think I almost burnt this woodwormy desk last week!

This is of great sentimental value! I couldn't part with it for less than... er... £100!

It's no good, boys! He knows he has us over a barrel!

What?

Later...

Careful boys! You've got my life in your hands!

And the contents of your wallet!

We'd better get some polish and give it a good clean up before we take it inside!

Yeah! Aunty Minnie can spot a stray spot of dust a mile away!

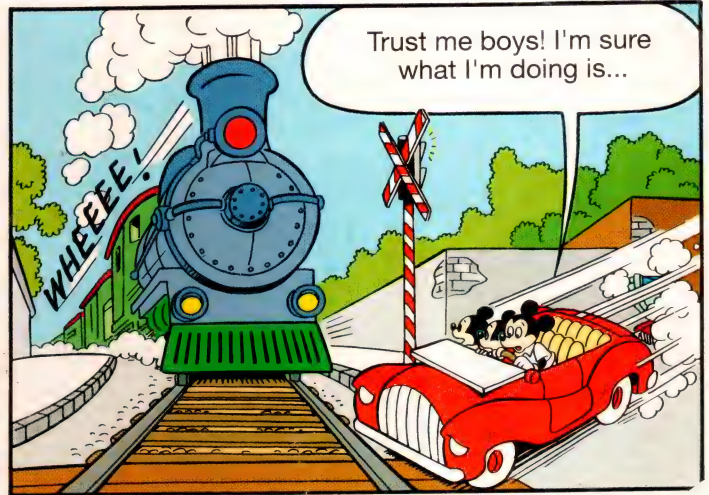

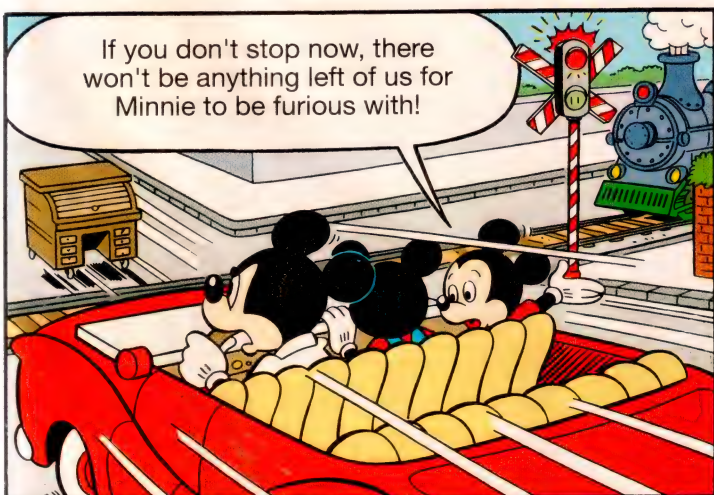

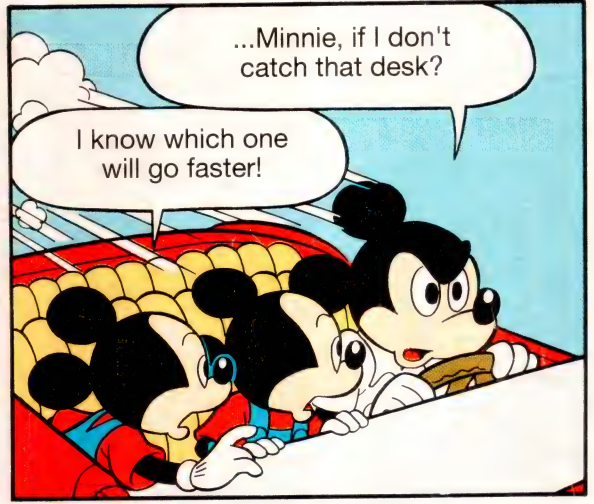

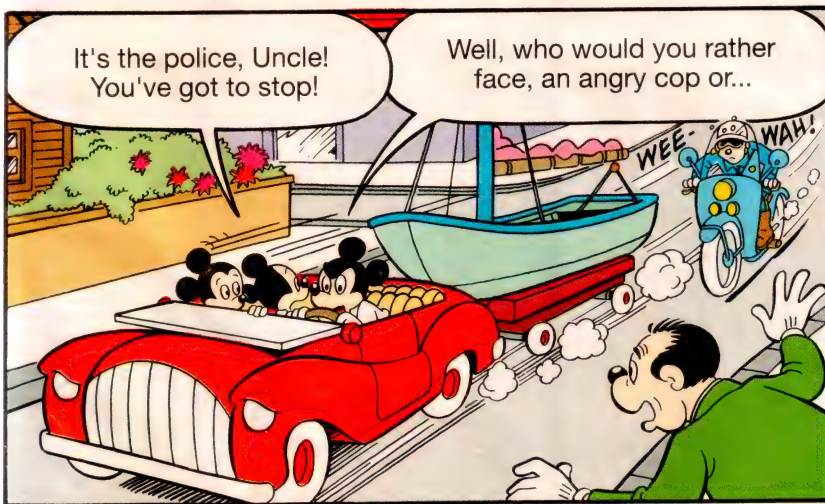

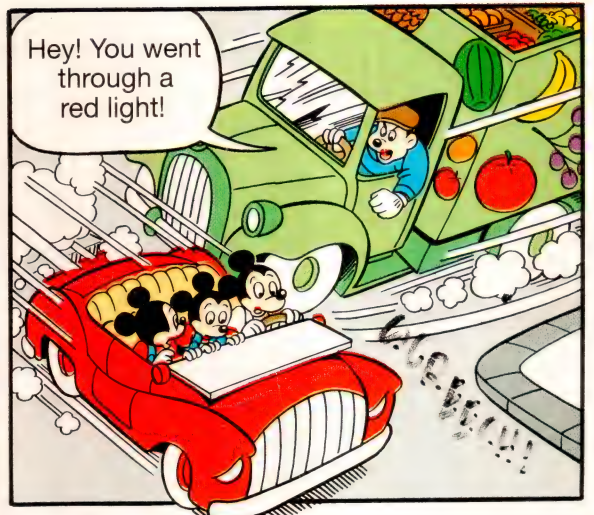

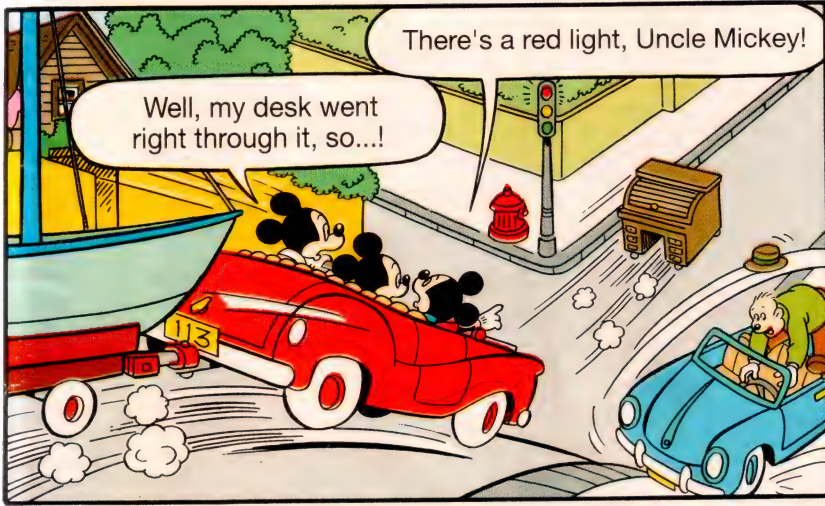

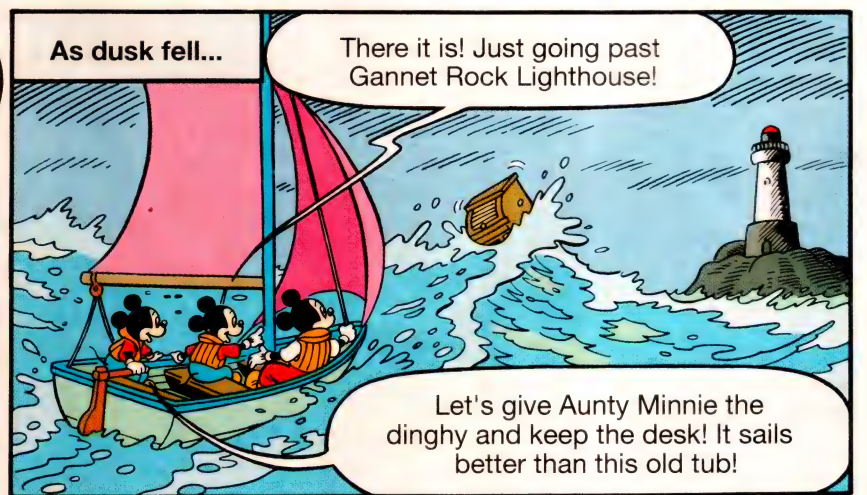

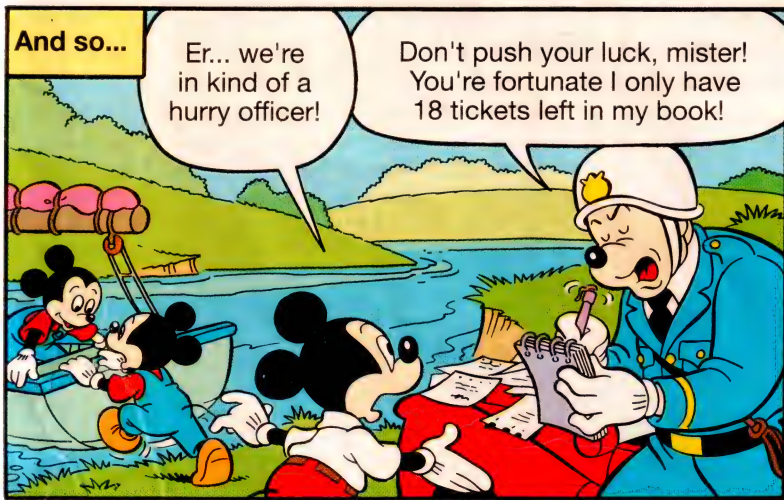

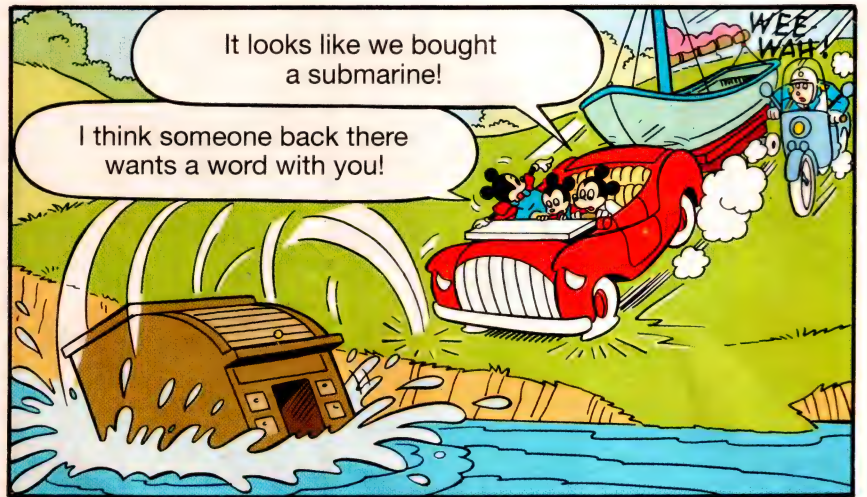

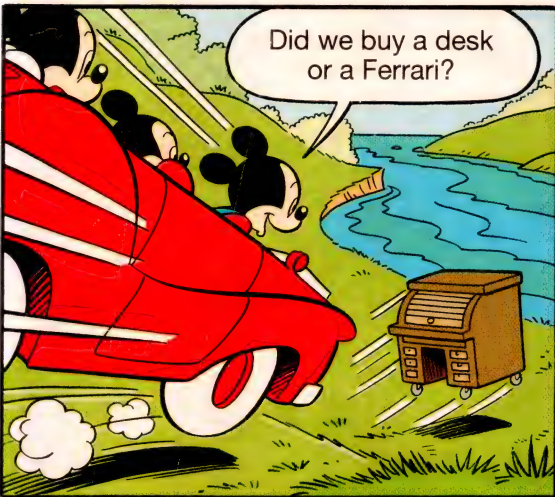

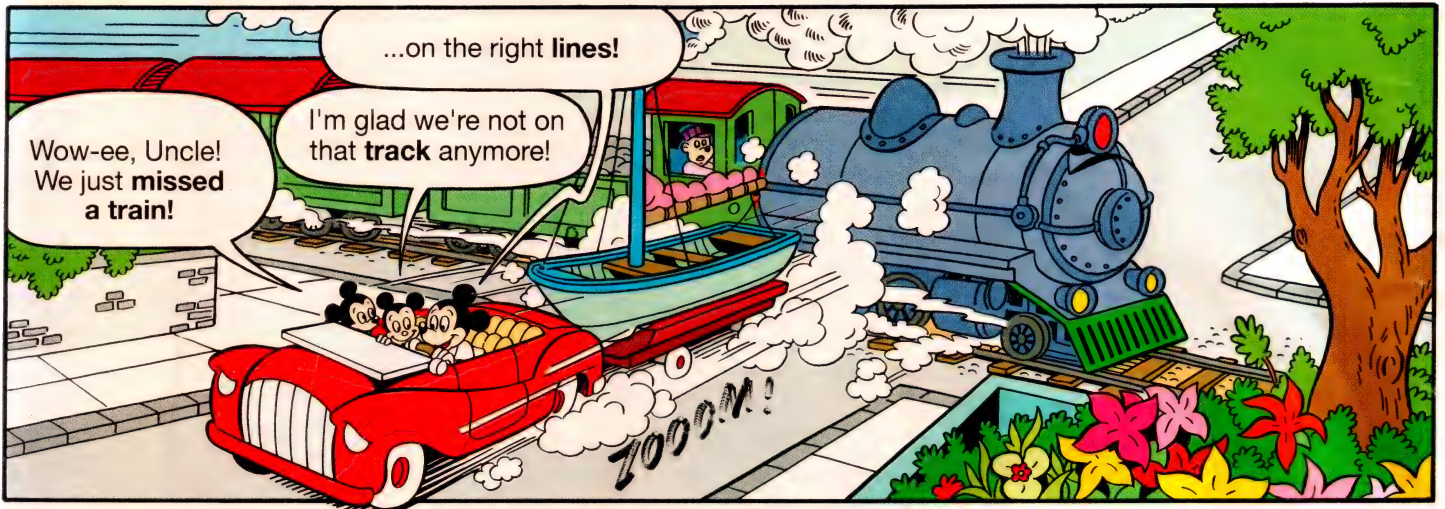

Er... Uncle Mickey, the desk has disappeared!

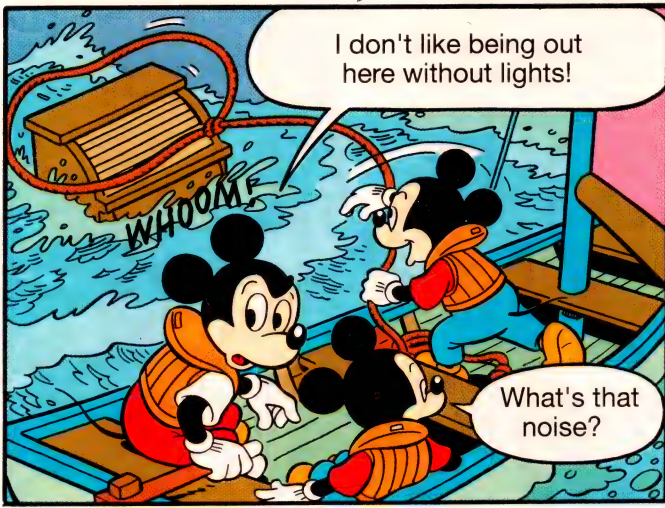

Please, Morty! I'm not in the mood for jokes right now!

Everyone in the car! That's a whole lot of money rolling away!

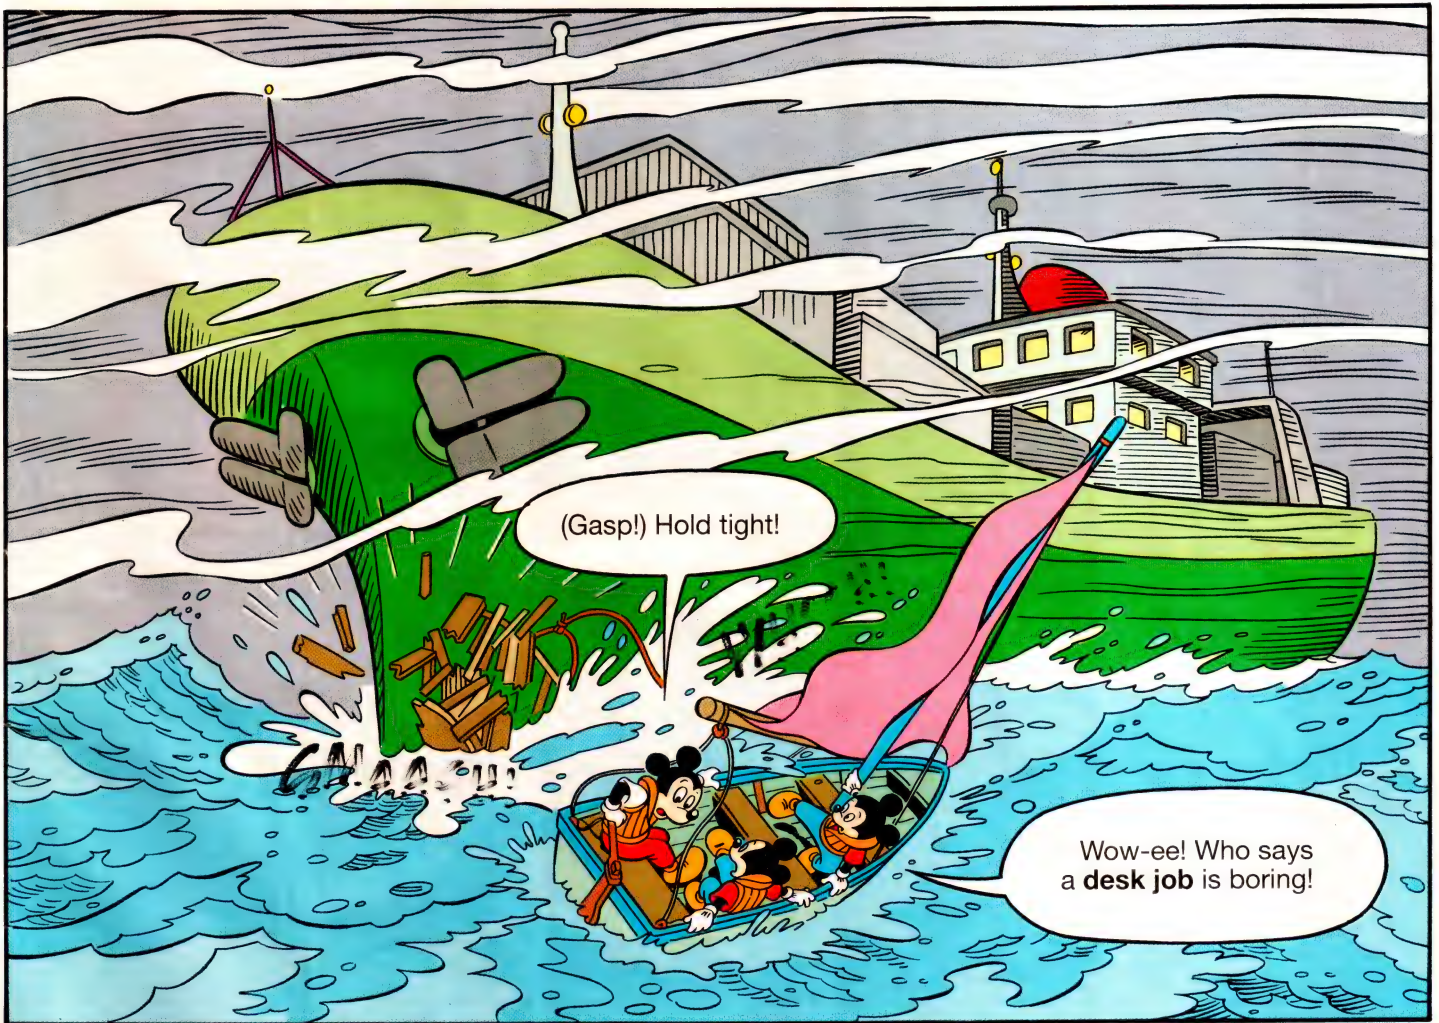

I don't like being out here without lights!

What's that noise?

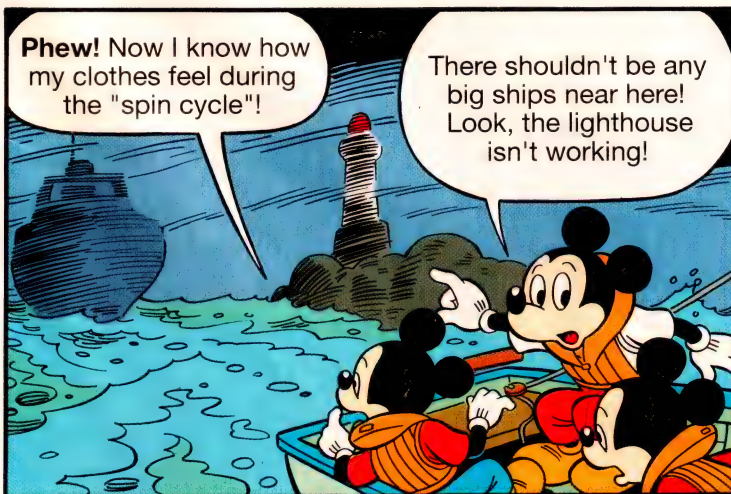

If we weren't this near to Gannet Rock, I'd say that was a...

...ginormous ship!

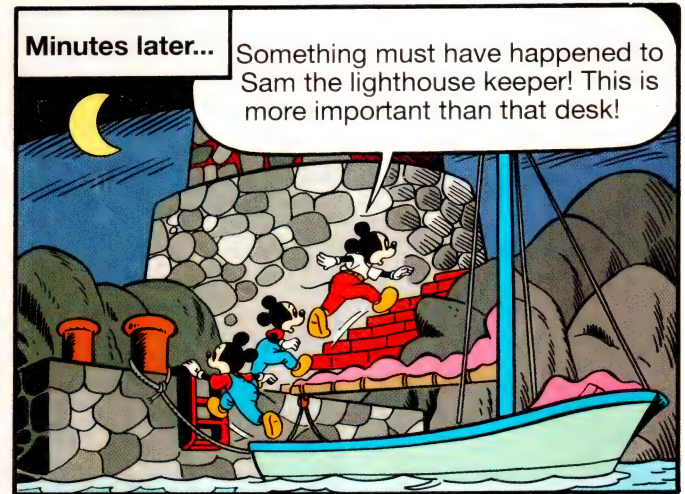

(Gasp!) Hold tight!

Wow-ee! Who says a desk job is boring!

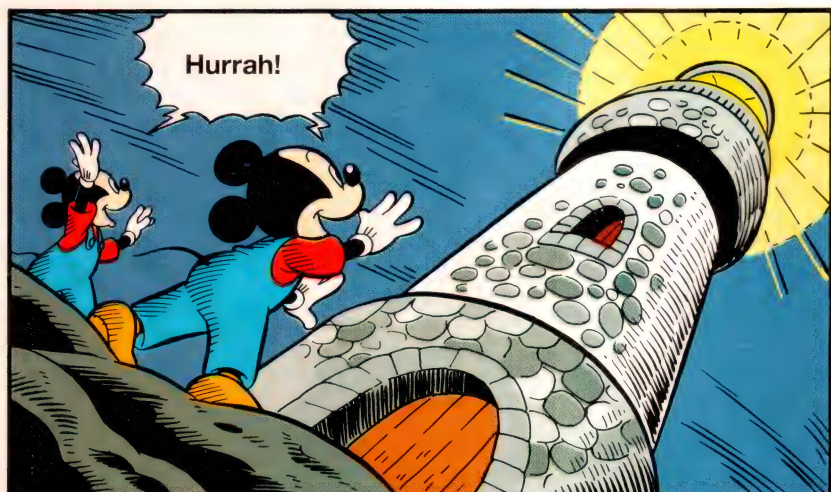

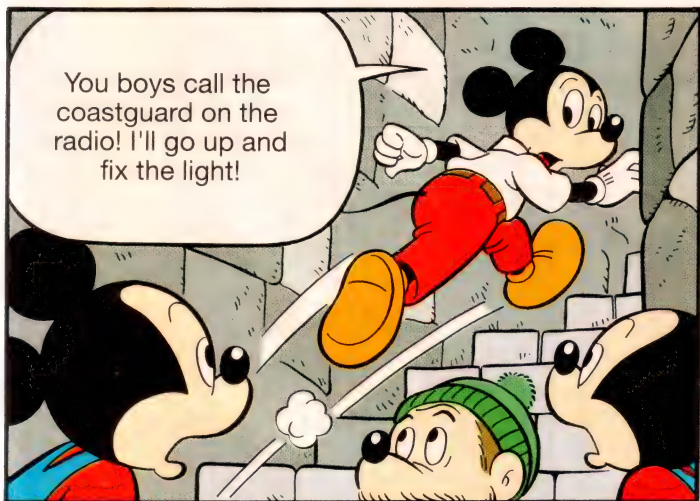

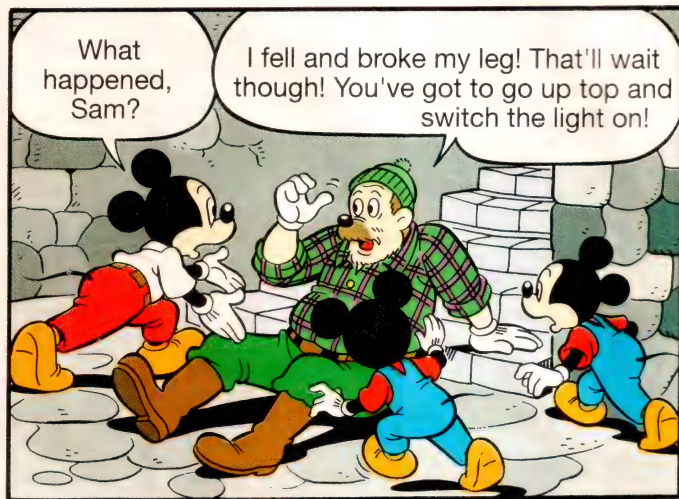

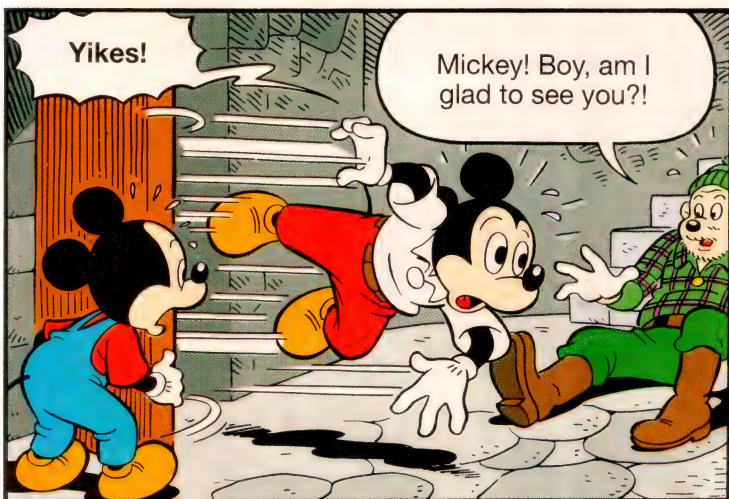

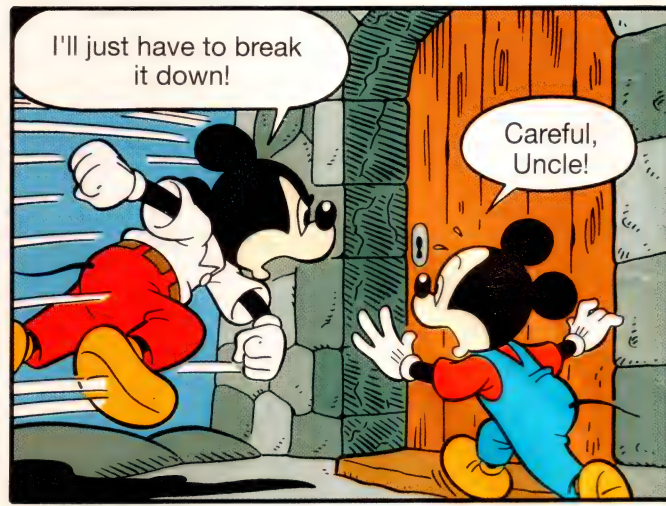

Phew! Now I know how my clothes feel during the "spin cycle"!

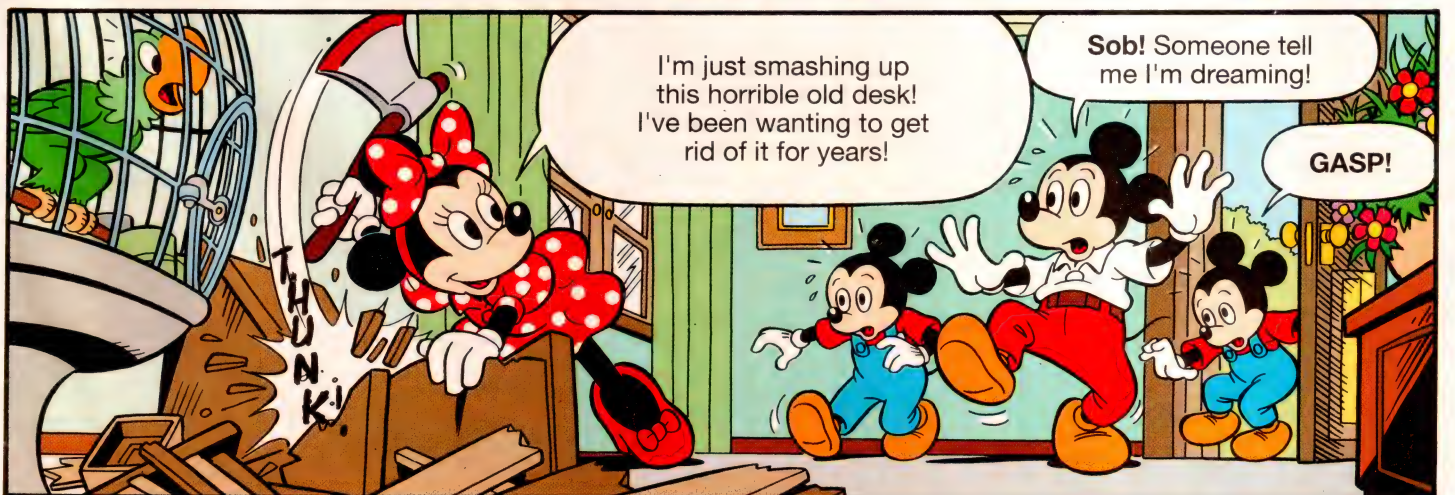

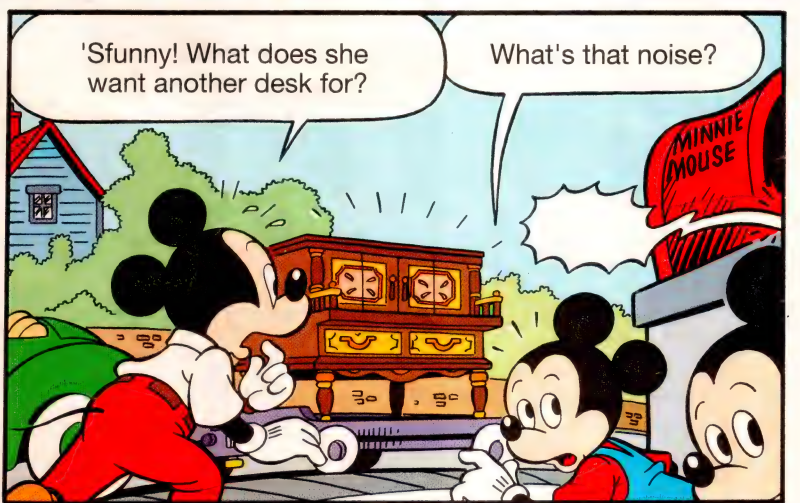

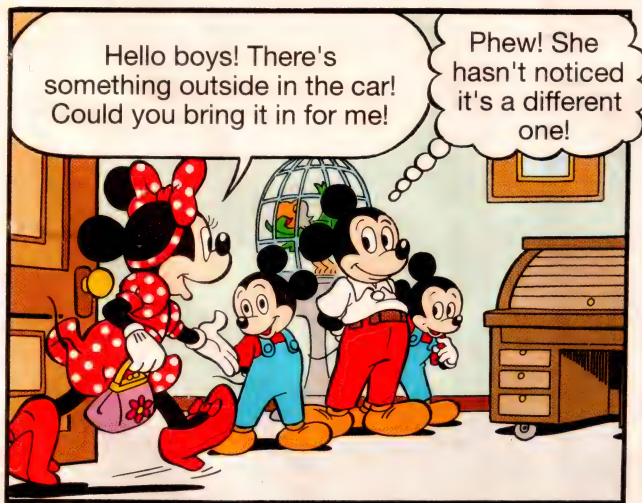

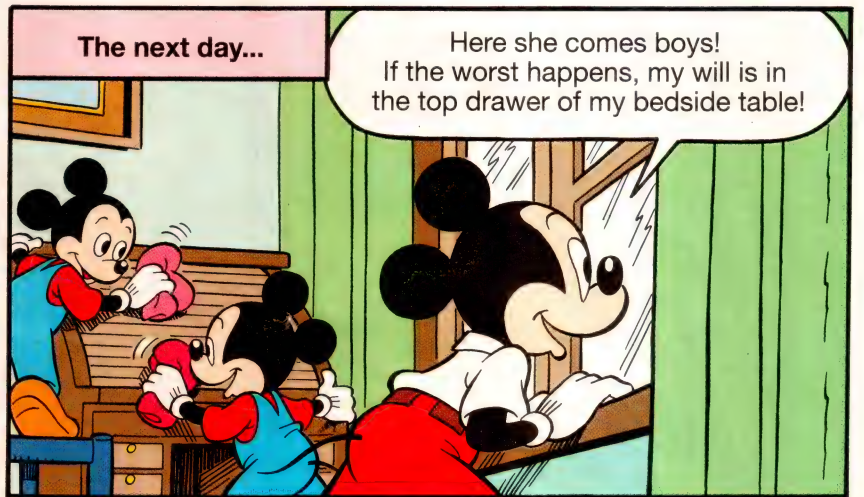

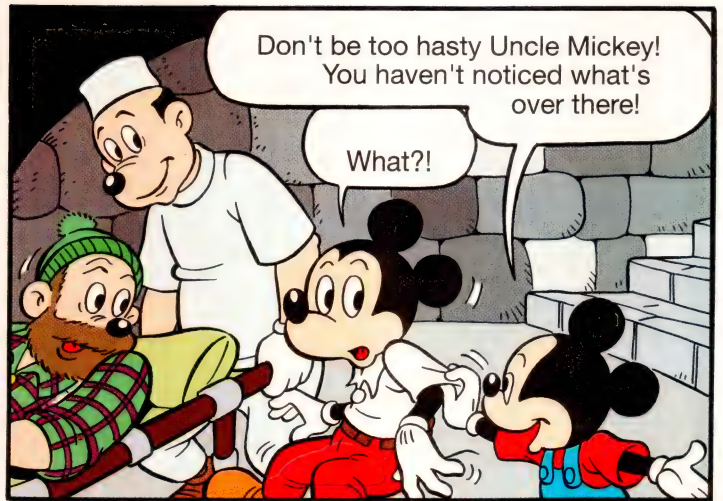

There shouldn't be any big ships near here! Look, the lighthouse isn't working!

Minutes later...

Something must have happened to Sam the lighthouse keeper! This is more important than that desk!

# TRICKS THINGS

All aboard for Europe

Rearrange the letters of the last word in each line to find a European answer to each of the seven clues. For example, in line one THORN rearranged is NORTH (North Sea).  
 A chilly sea that is a thorn?  
 A French river that's a heron?  
 A pretty capital in pairs?  
 A volcanic mountain that is neat?  
 An Italian city that is more?  
 A Greek island of hordes?

Answers:  
 North, Rhone, Paris, Italy, Etna, Rome, Rhodes.

TRICK OF THE WEEK

BY GUM, IT'S TOUGH!

THINK HARD  
 An electric train is travelling at 75 miles an hour and a strong wind is blowing against it at 30 miles an hour. Which way will the wind blow the train's smoke?  
 Answer:  
 None! Electric trains don't have any smoke! We're not in the age of steam, anymore!

Get a pack of chewing gum, take out a piece, remove the paper wrapper and foil, and take out the gum.

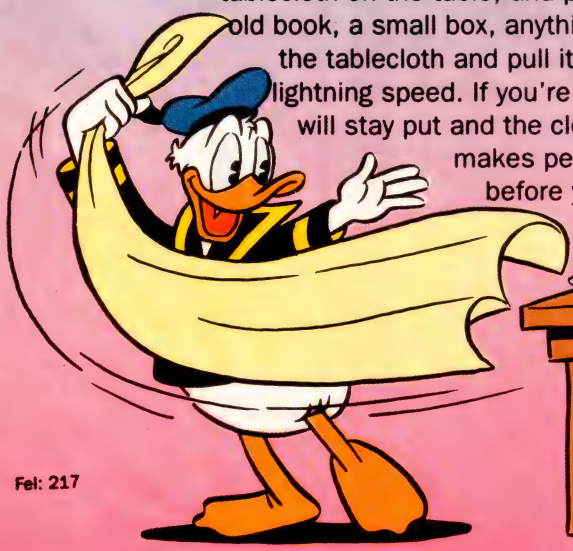

Slip a piece of cardboard cut to size into the foil. Now, seal up the foil, so it looks like new.

Slip the wrapper, complete with fake gum, back inside the pack. That'll give a friend something to chew over!

## SWISH! HERE'S THE TABLECLOTH!

For this trick you need a smooth-edged table with no seams across the top. Lay a tablecloth on the table, and put a few unbreakable things on it - an old book, a small box, anything like that. Now pick up the edge of the tablecloth and pull it towards you, right off the table, at lightning speed. If you're fast enough, the objects on the cloth will stay put and the cloth will come clean away. Practise makes perfect, but you'd better be good at it before you try it with the breakfast dishes!

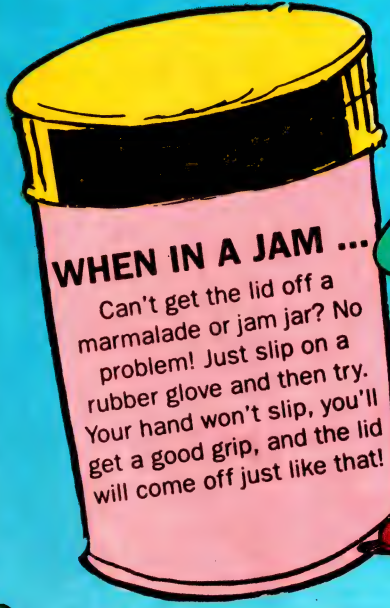

Here are the names of ten animals and the noises they make. Can you pair them off?  
 Crow, lion, cow, hyena, owl, kitten, sparrow, dove, cock, turkey.  
 Hoot, gobble, laugh, crow, caw, mee, low, coo, roar, chirp.  
 Answers:  
 Hoot - owl; gobble - turkey; crow - crow; caw - crow; lion - lion; coo - dove; low - cow; roar - lion; mee - cow; chirp - sparrow; laugh - hyena; owl - hoot; caw - crow; lion - roar; cow - low.

"How many buns did you eat last week?" Wayne asked his friend Stephen. "Well," Stephen replied, "if I'd had twice as many as I'd had and half as many as I had, then three more, I'd have eaten 13." How many did he eat?  
 Answer:  
 10

# THE PAPER SCREAMER

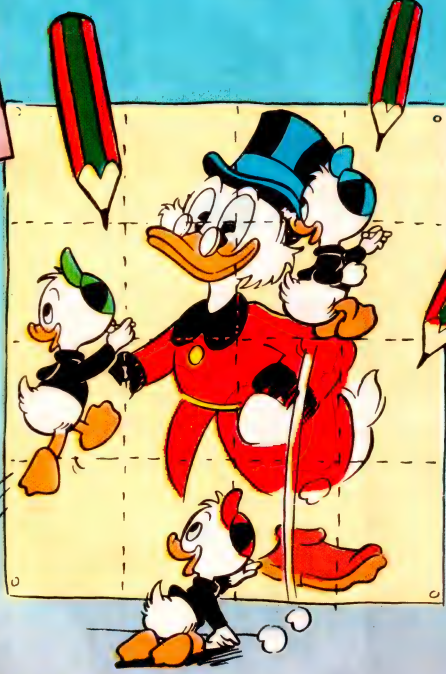

You probably know you can get a screeching sound by blowing on a blade of glass. You can do the same thing with a strip of paper, too. Make sure it's long enough to hold between the tips of your forefingers and the balls of your thumbs (diagram below) - then blow good and hard. That should wake up anyone who's overslept!

## WHEN IN A JAM ...

Can't get the lid off a marmalade or jam jar? No problem! Just slip on a rubber glove and then try. Your hand won't slip, you'll get a good grip, and the lid will come off just like that!

See if you can solve this rhyming riddle. Do you know the reason, When you've a trip to make, and you take a railway train, Why you should stay awake?  
Answer: Because the train runs over the sleepers

# BLOW UP!

Here's a way to enlarge any picture you like. Divide your picture into squares - say 16 squares like the one on the left. Then get a larger piece of paper and draw 16 larger squares on it. Copy the picture square by square and you'll have an enlargement that's exactly in proportion to the original picture.

# HANGING CARD TRICK

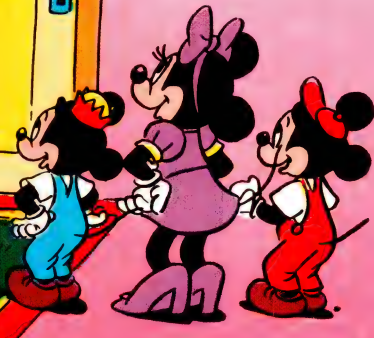

Can you stick a playing card to a door without glue and keep it there by itself? Goofy can!

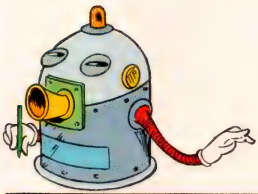

Before he started he made sure he was wearing leather-soled shoes. He spread some cards out, face up, on a carpet, and while chatting to his audience, singled out one of the cards and with his foot rubbed it up and down on the carpet. Then he picked it up and 'stuck' it on the door!

The trick works, of course, by using static electricity created by friction between the leather and the carpet. It won't work unless the door is smooth nor will it work if the weather is wet or foggy - so make sure you pick a bright, sunny day!!!

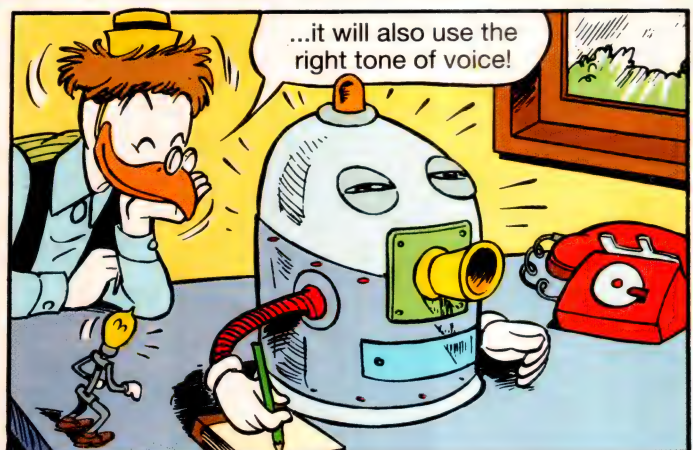

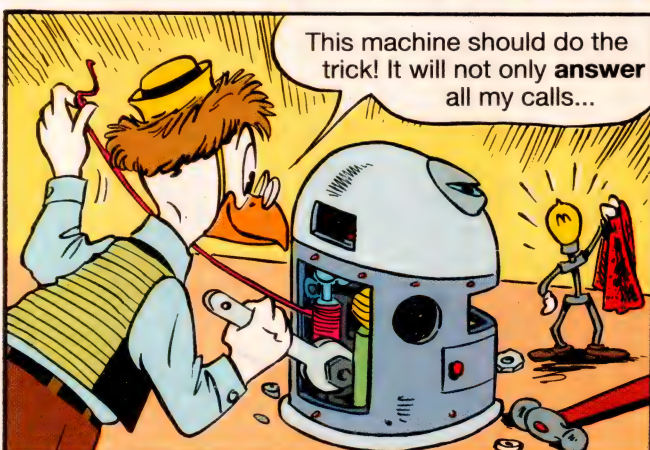

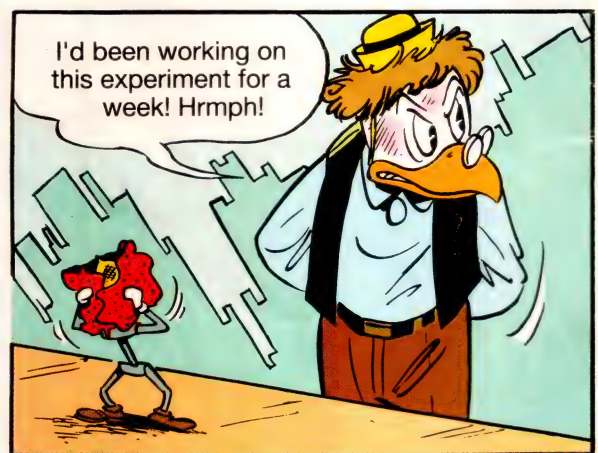

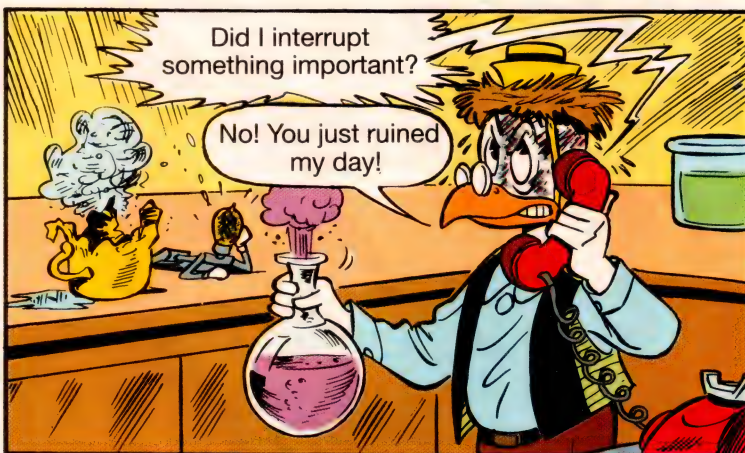

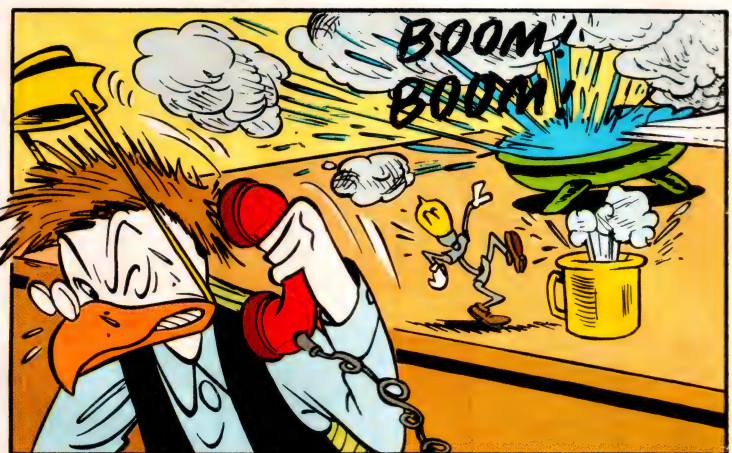

Q: What do sea monsters eat?  
A: Fish and ships!

## The Prediction

### Part 2

A fairground fortune-teller has told Donald he's going to discover lots of gold and that he'll bathe in it! Later he learns there's gold in North Shonkiang and sets out with Uncle Scrooge and the nephews! There they help a Shonkiang leader to catch a rare fish! They are taken to a temple filled with gold idols, only to find the Beagle Boys have followed them...

You know these wicked scoundrels?

All too well, alas!

Everyone stay where you are, while my colleagues do a few removal jobs!

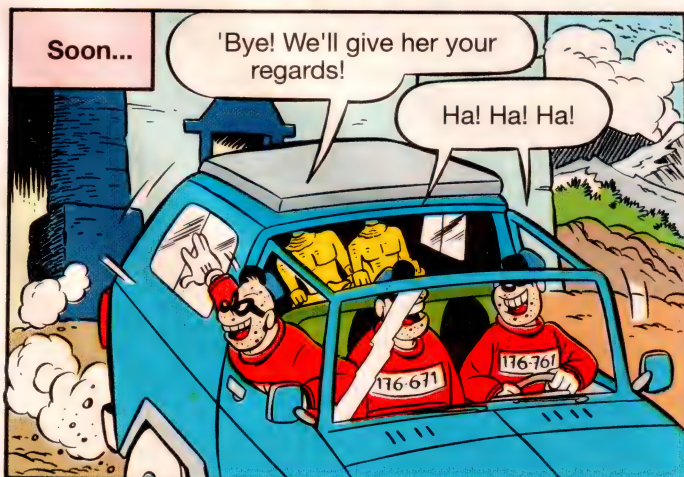

Villains! Don't you realise those idols are sacred?

Don't worry! We've always worshipped gold! Ha! Ha! Ha!

I warn you, they will bring you great misfortune!

Hear that, boys? We're gonna meet a fat lady called Miss Fortune!

Soon...

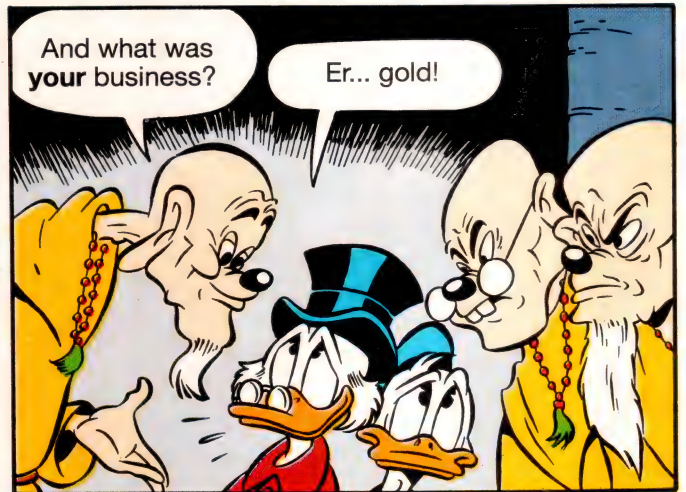

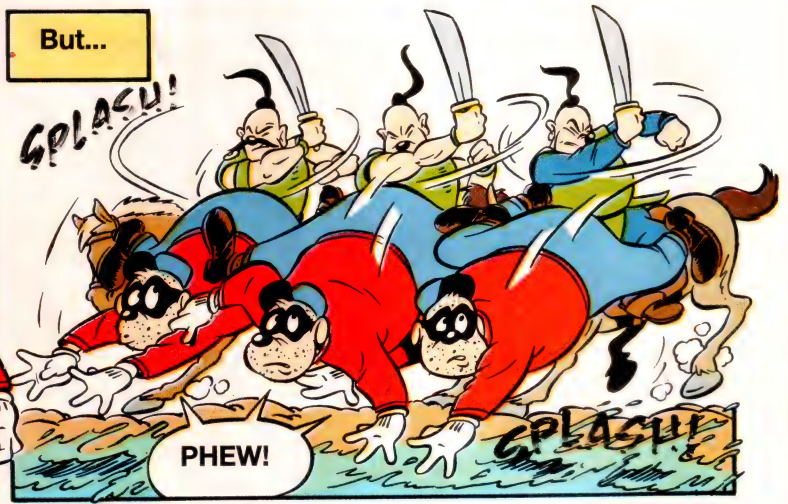

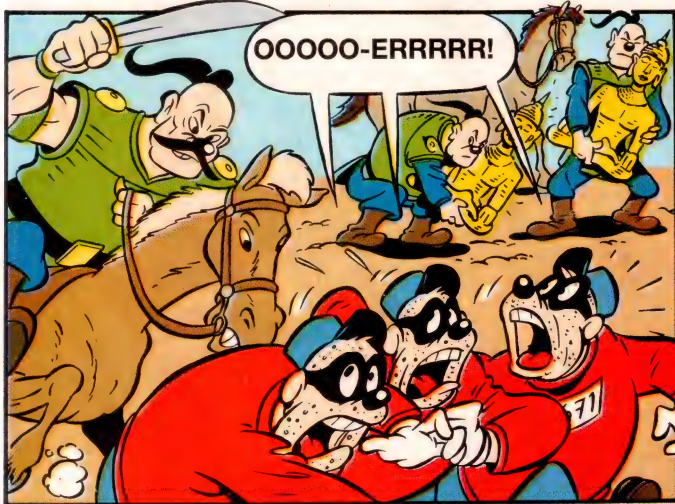

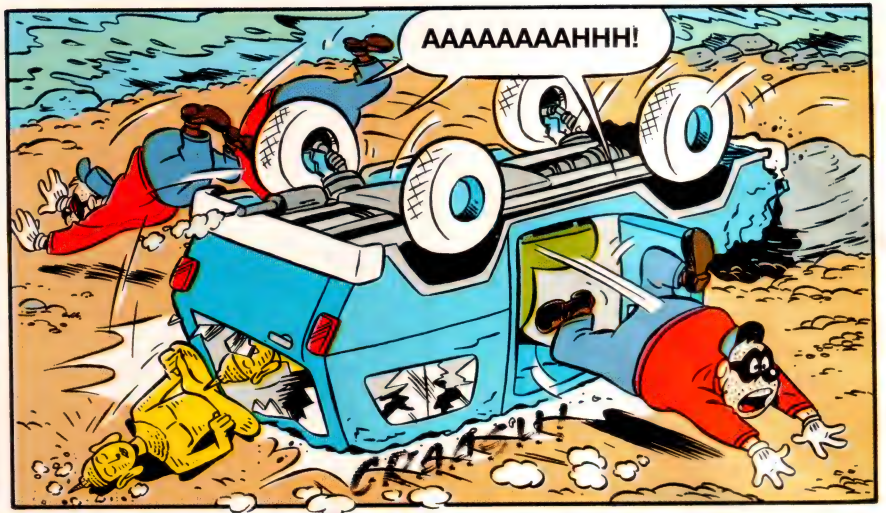

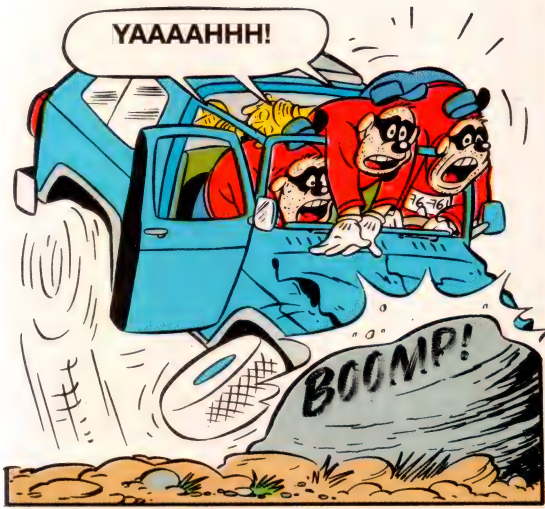

'Bye! We'll give her your regards!

Ha! Ha! Ha!

Oh, boy! We did it! Rich at last!

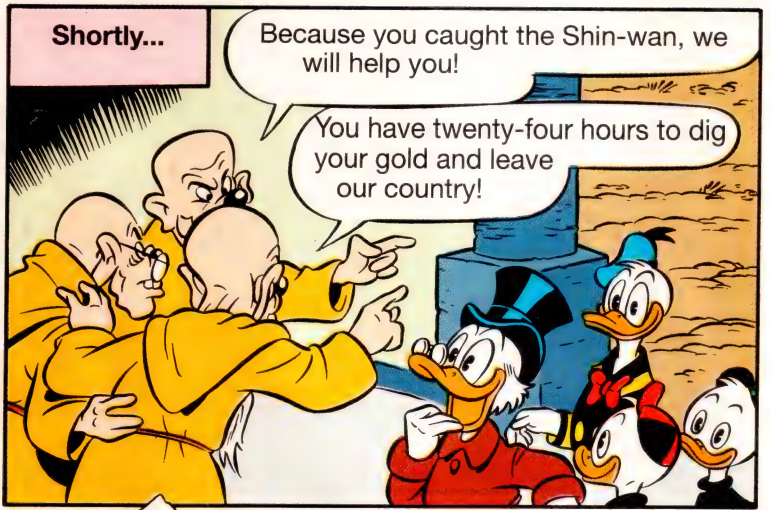

W-watch where you're going!

B-but we didn't want to steal it! On my word! We only wanted to dig some up!

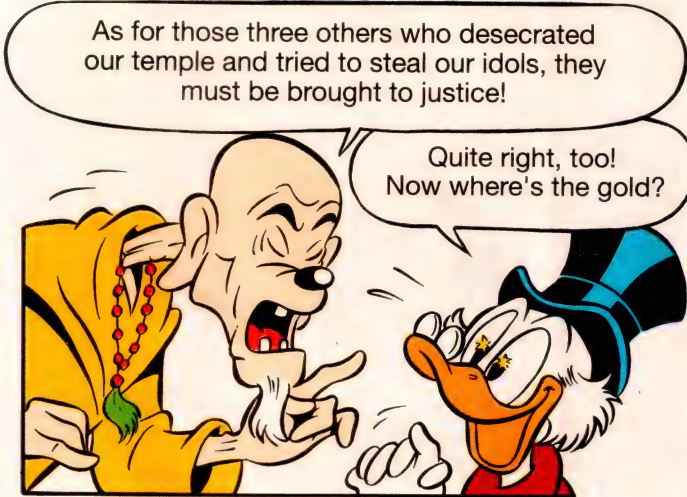

We must confer!

Shortly...

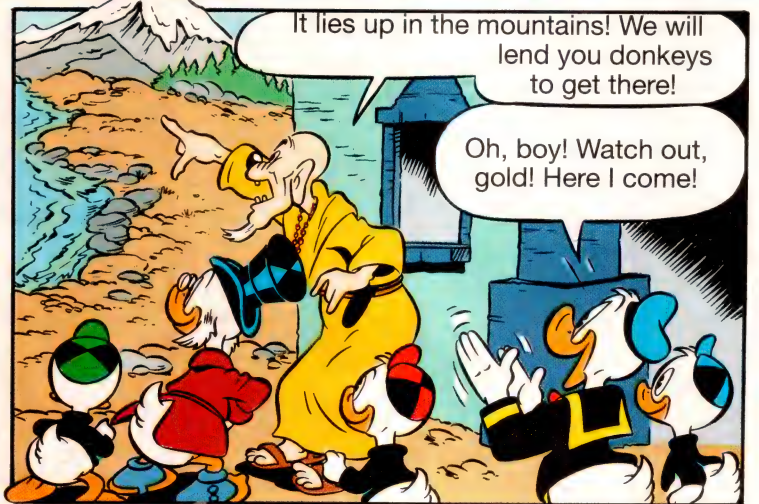

Because you caught the Shin-wan, we will help you!

You have twenty-four hours to dig your gold and leave our country!

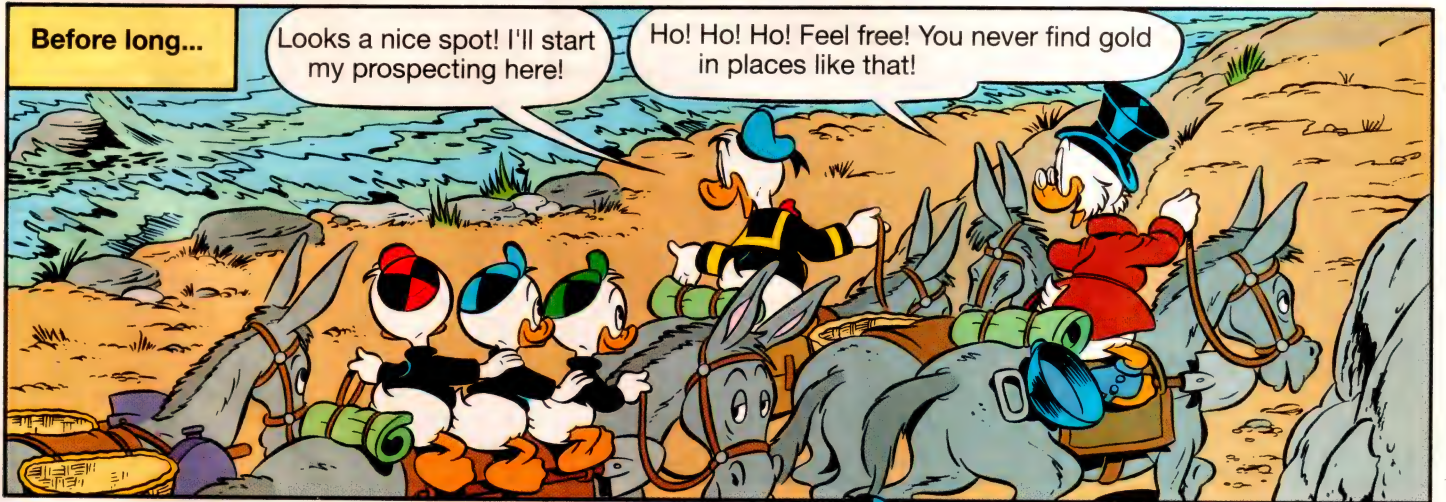

As for those three others who desecrated our temple and tried to steal our idols, they must be brought to justice!

Quite right, too! Now where's the gold?

It lies up in the mountains! We will lend you donkeys to get there!

Oh, boy! Watch out, gold! Here I come!

Before long...

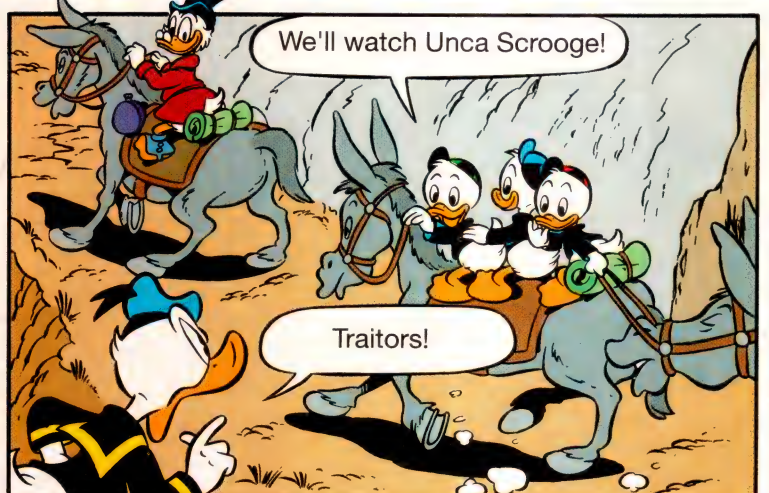

Looks a nice spot! I'll start my prospecting here!

Ho! Ho! Ho! Feel free! You never find gold in places like that!

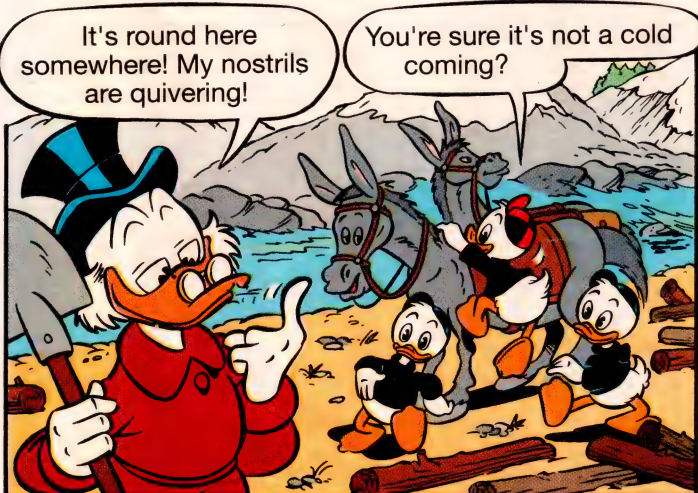

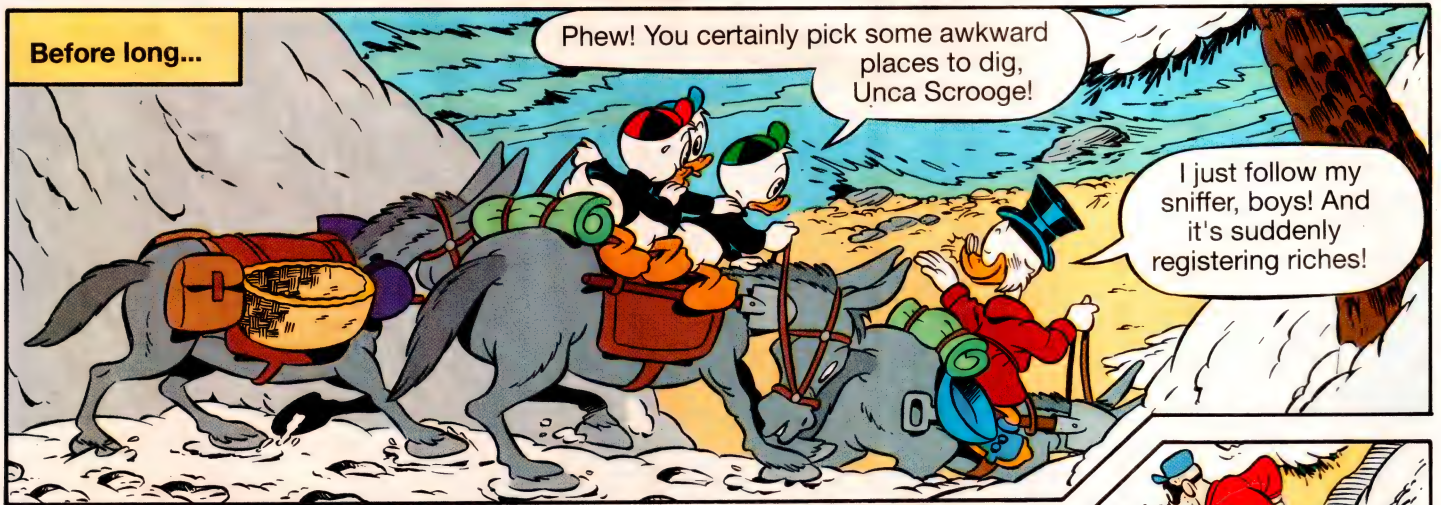

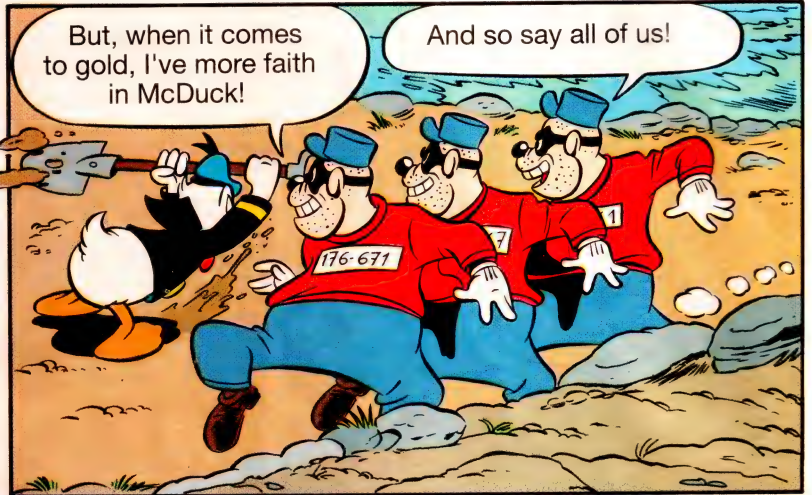

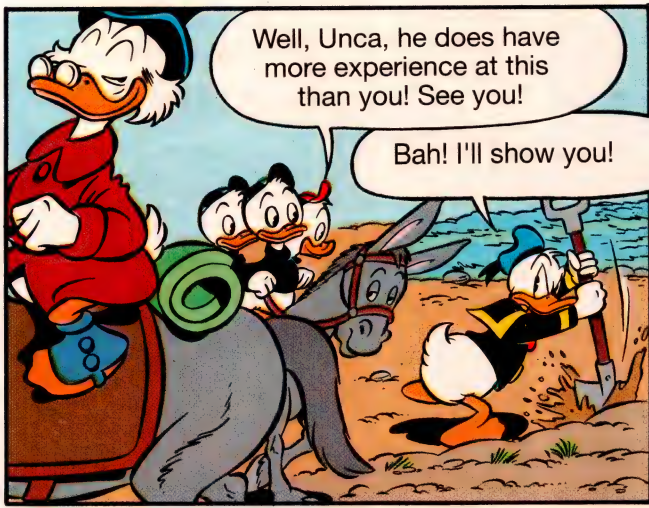

I can smell gold! It's higher up!

And I say it's here! You gonna help me, boys?

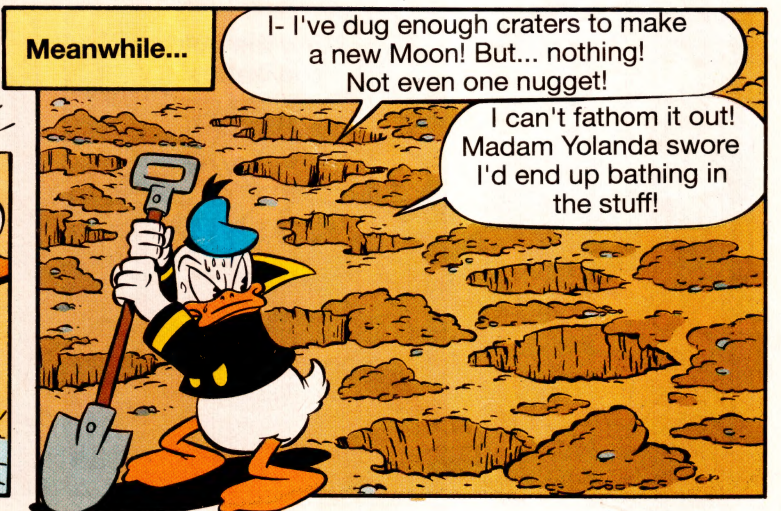

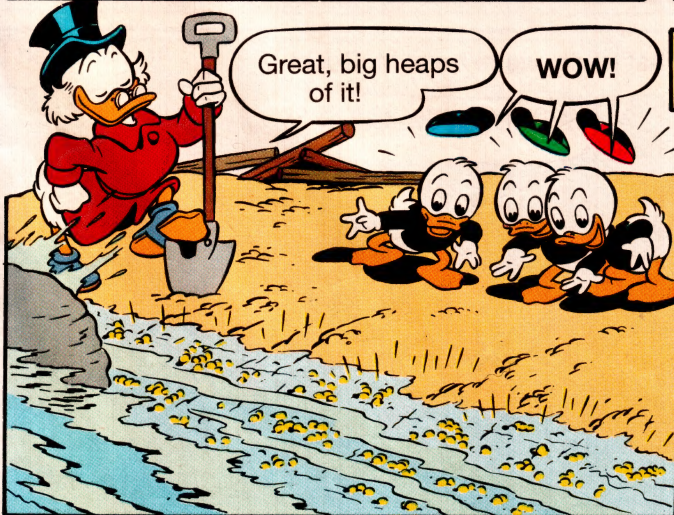

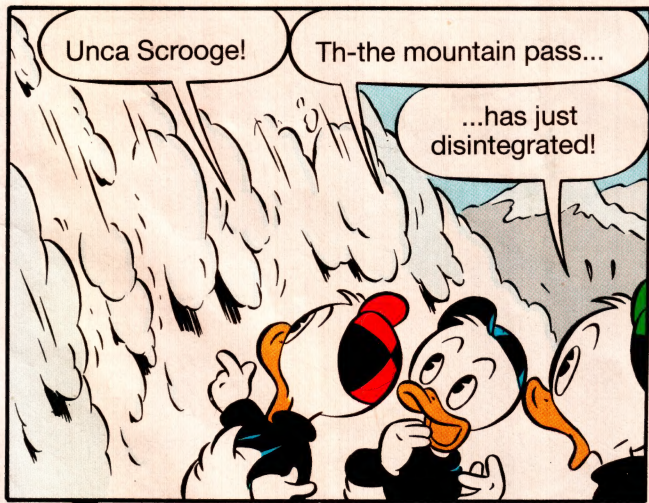

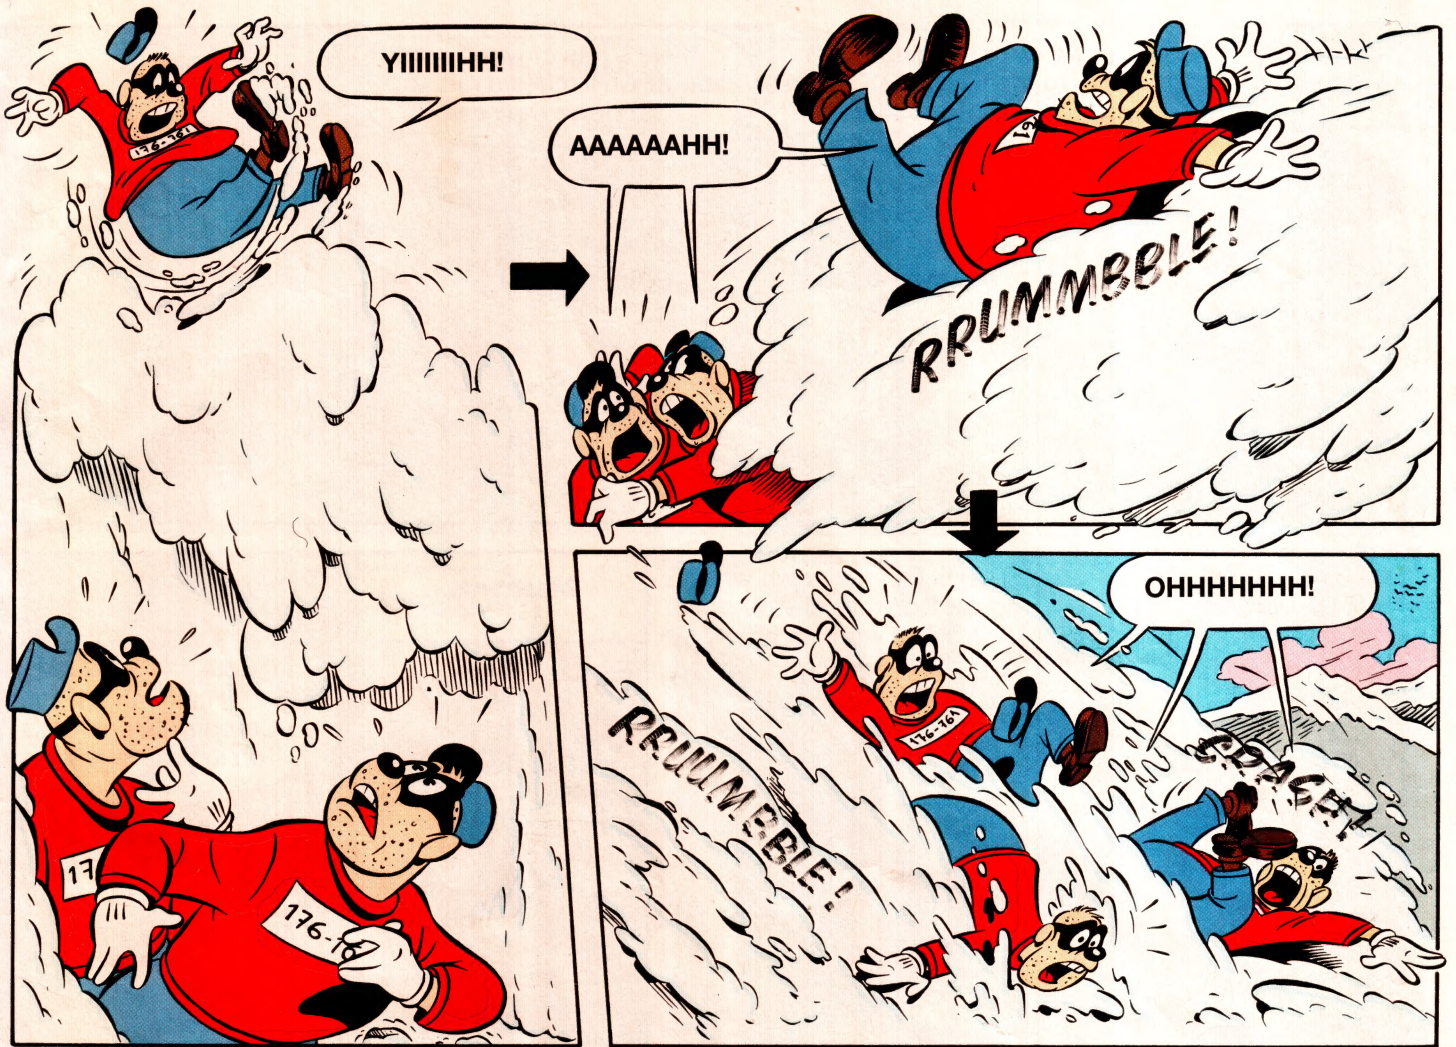

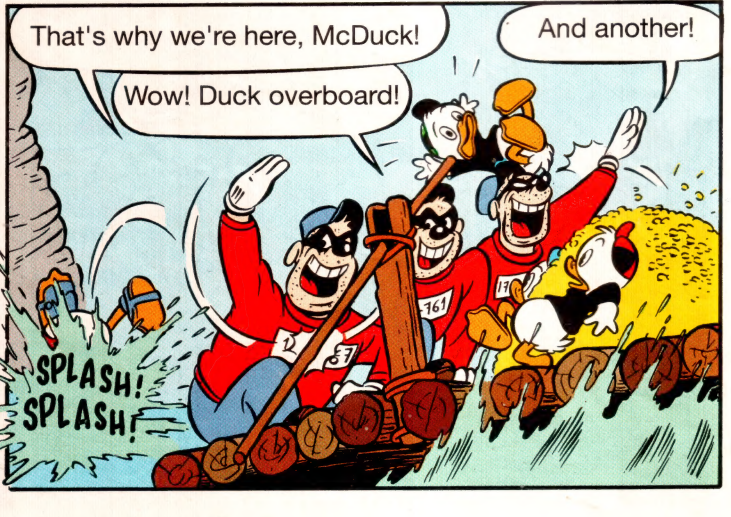

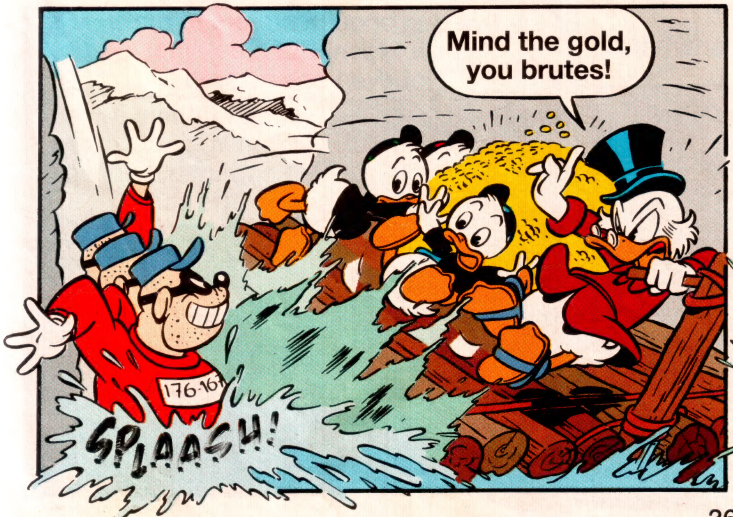

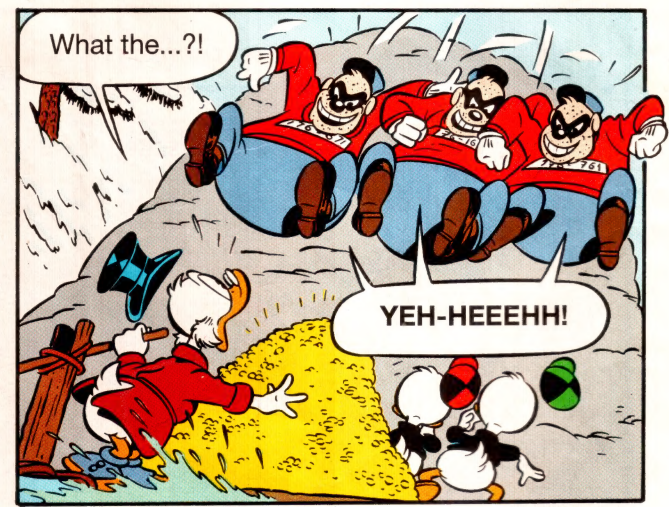

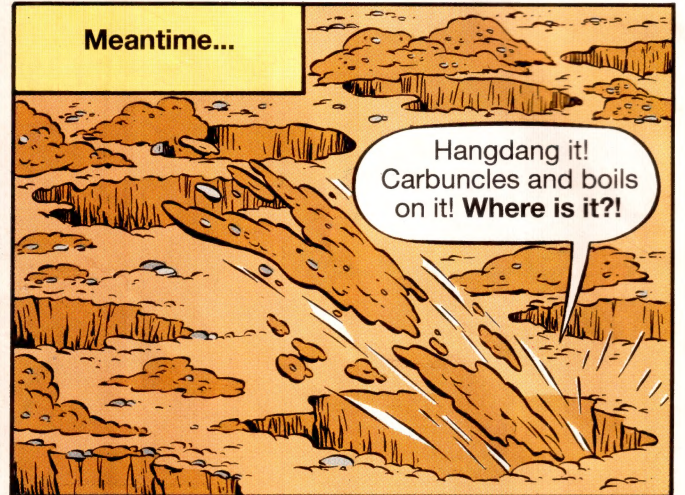

We'll watch Unca Scrooge!

Traitors!

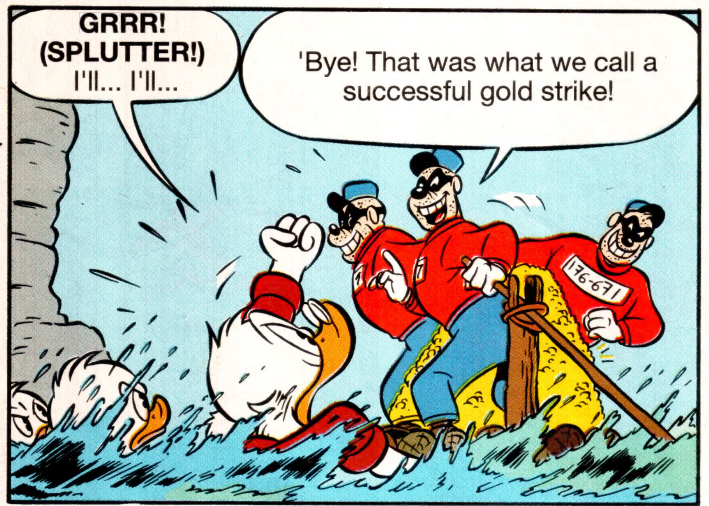

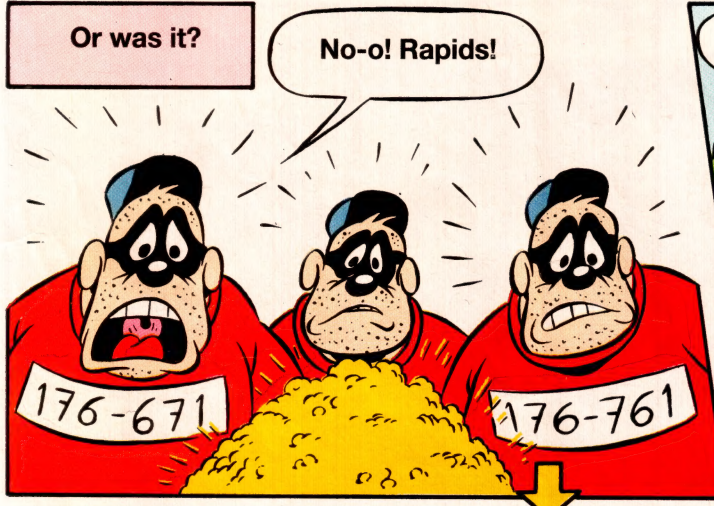

And two more!

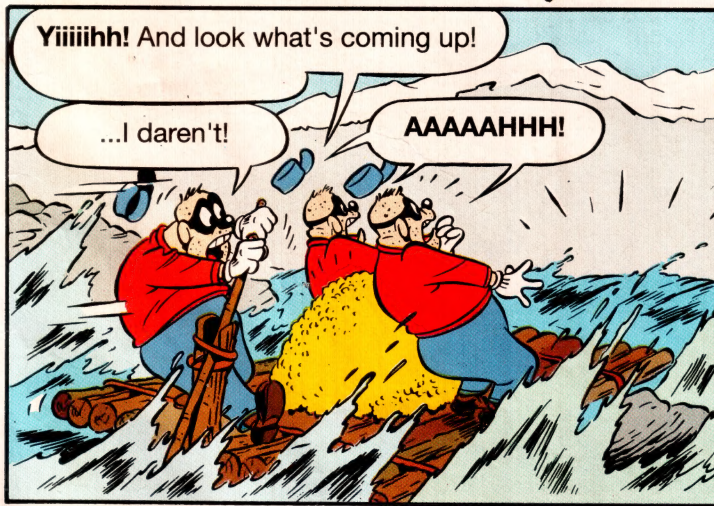

GRRR!  
(SPLUTTER!)  
I'll... I'll...

'Bye! That was what we call a successful gold strike!

Or was it?

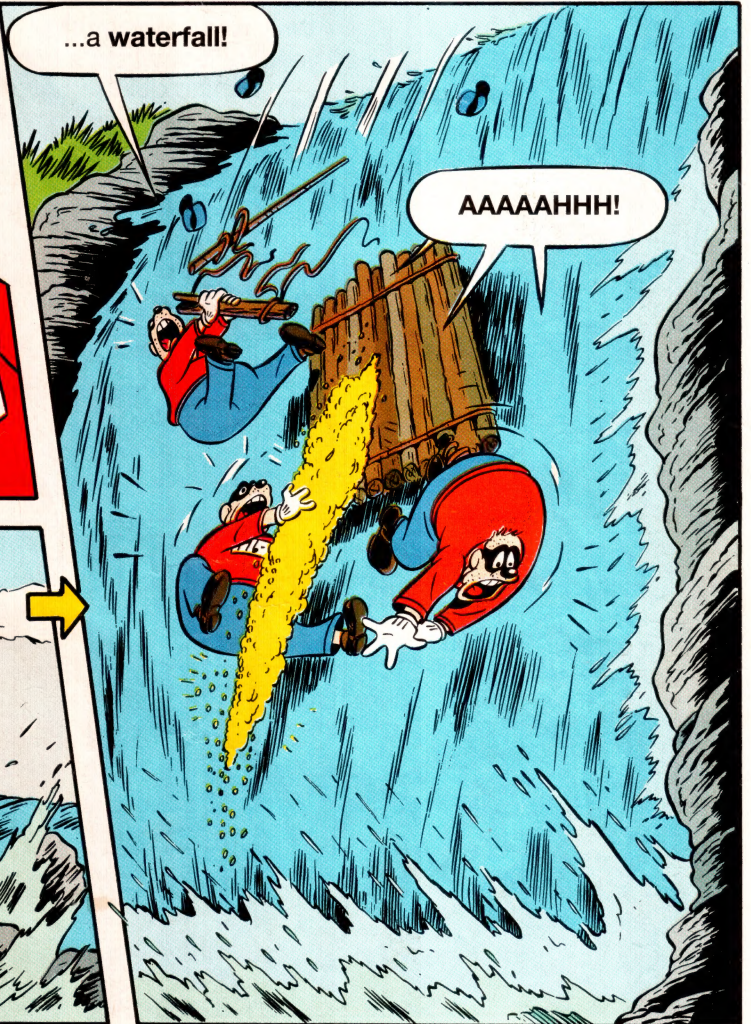

No-o! Rapids!

Yiiiiihh! And look what's coming up!

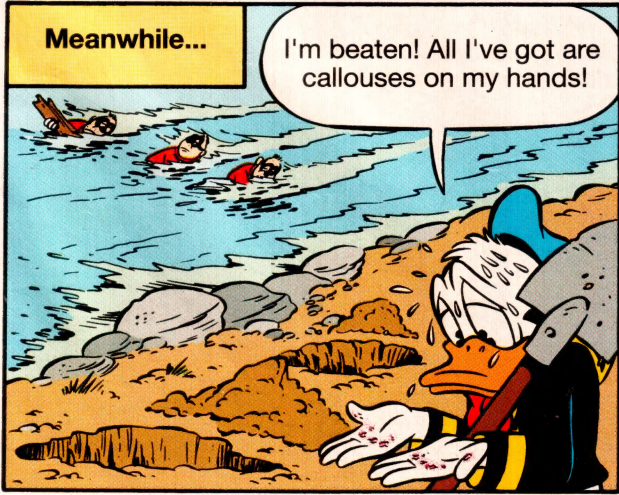

...I daren't!

AAAAAHHH!

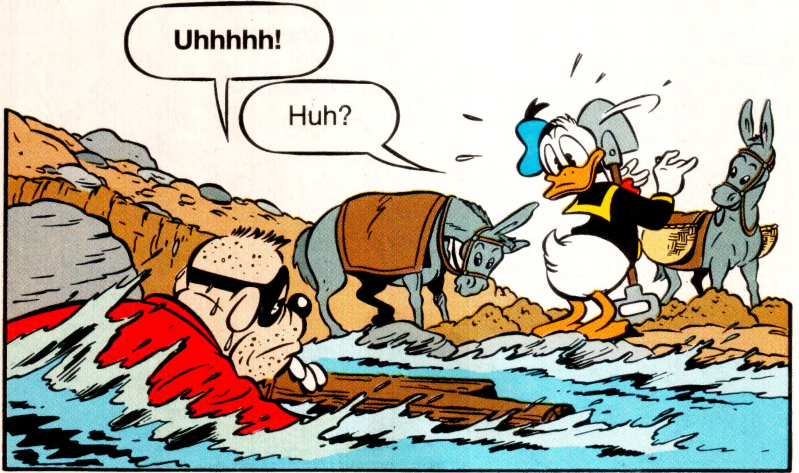

...a waterfall!

AAAAAHHH!

Meanwhile...

I'm beaten! All I've got are callouses on my hands!

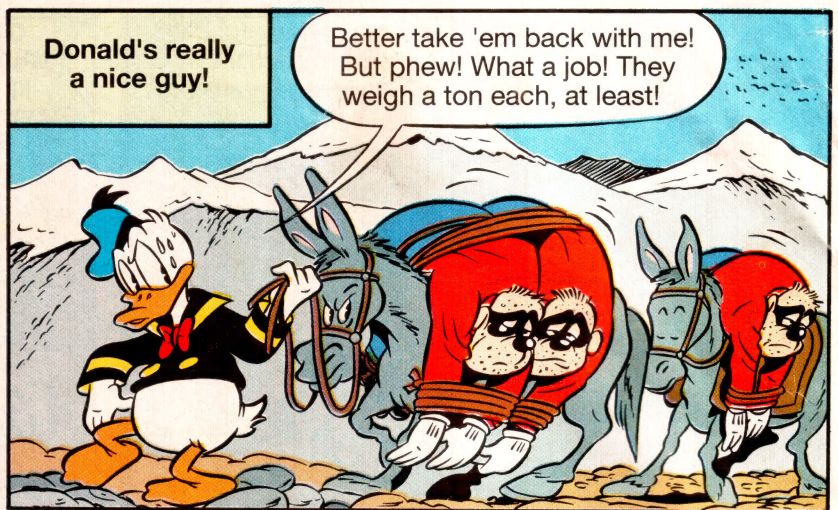

Uhhhhh!

Huh?

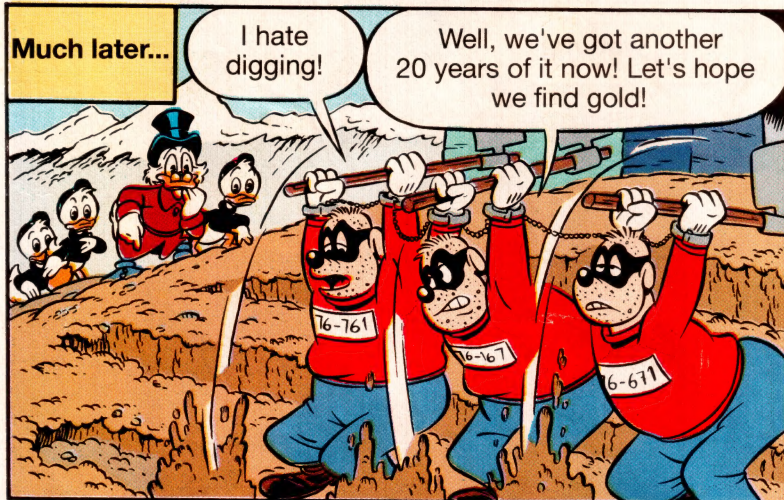

Mmm! Well, I suppose I can't just leave 'em there!

Donald's really a nice guy!

Better take 'em back with me! But phew! What a job! They weigh a ton each, at least!

Much later...

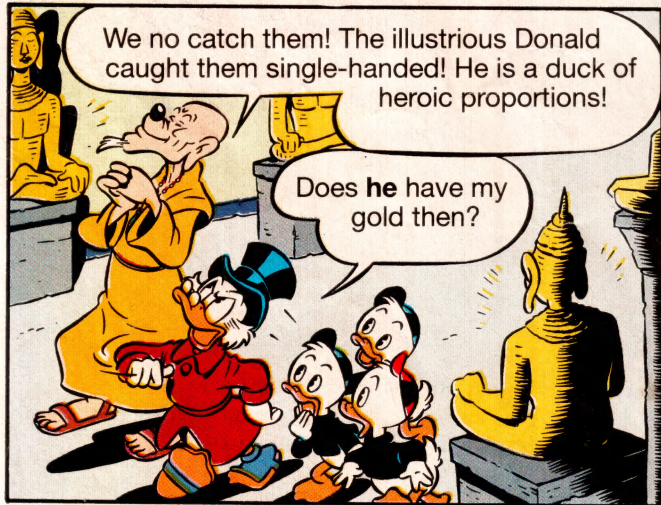

I hate digging!

Well, we've got another 20 years of it now! Let's hope we find gold!

Welcome back!

You caught them, I see! Did they have my gold with them?

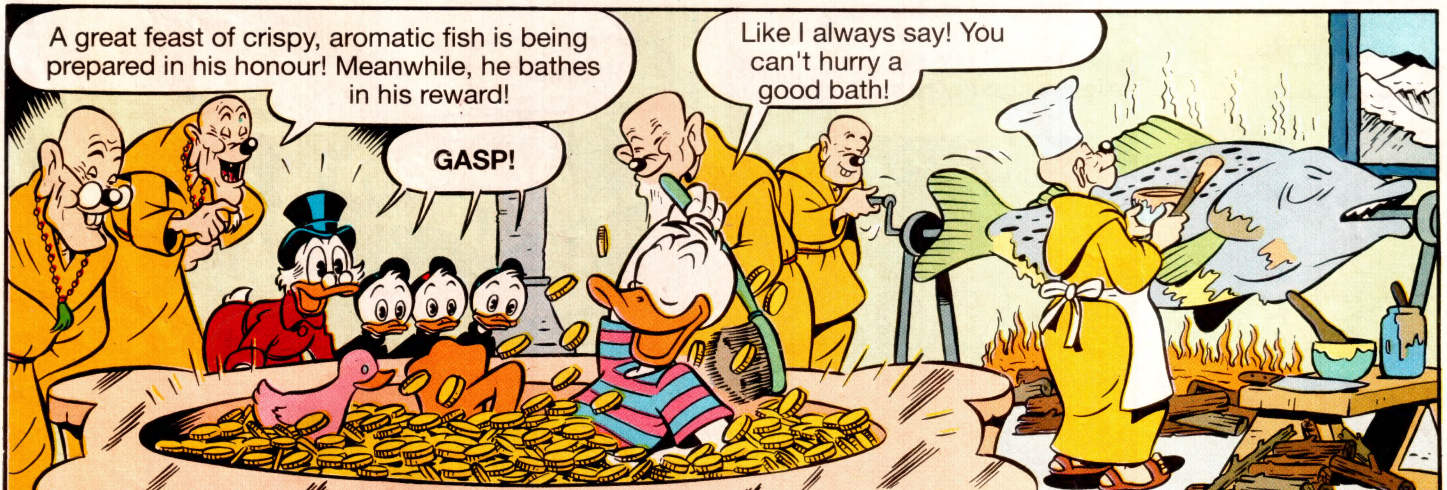

We no catch them! The illustrious Donald caught them single-handed! He is a duck of heroic proportions!

Does he have my gold then?

No, there was no gold! But that will not worry the exalted Donald! He has his own now!

Eh?

A great feast of crispy, aromatic fish is being prepared in his honour! Meanwhile, he bathes in his reward!

GASP!

Like I always say! You can't hurry a good bath!
